Dominic Carlini, 310 Race street, Stowe, takes a bottleful of the excellent spring water offered free to the public by Alfred J. Thomas, 383 Walnut street, owner of the Chester county spring south of Kirkwood on Route 100. Thomas is glad to let area residents have the water, but only if they respect the privilege and keep his property clean.

Abuse Upsets Owner

Free Spring Patrons Misusing Privilege

By CONNIE MYER
(Mercury Staff Writer)

The owner of a spring on Route 100 south of Kirkwood, is upset about persons who misuse the premises when they take bottles of the fine pure water.

Alfred J. Thomas, 383 Walnut street, years ago generously allowed area residents to use the Chester county water, which Thomas believes is the purest "for 200 miles around."

Druggists Still Waiting for Salk Vaccine Supply

Release of Salk anti-polio vaccine to drug stores and physicians in the Pottstown area has been halted in the past few months while Federal and State officials check production of the heralded serum.

And what's more, localities—where first flooded pharmacists and physicians here with requests for "shots" of the then highly-regarded vaccine—now hardly even mention it.

A spot survey of several leading local drug stores and doctors revealed that none of the druggists queried have ever received any of the serum and the doctors haven't gotten any since May, when the vaccine was approved by health authorities. And even then the physicians received only "token" amounts.

An exception, of course, to that would be Dr. Raymond L. Reinbold, Pottstown school physician, who administered the first Salk "shots" to local school children a few months ago.

DR. REINBOLD said last night that he hasn't received any vaccine at all since "they started having trouble with it."

He added, "I think the polio foundation is holding delivery up while the drug is being retested. I don't know of any cases where the serum has come through privately since the inoculations were stopped."

Strike Ballot Set for Today At Firestone

A strike vote will taken today among members of Firestone Local 336, United Rubber Workers (CIO).

Two thousand union members are eligible to participate in balloting, which will decide whether the local will endorse strike action against the Firestone Tire and Rubber company, if firm and union negotiators fail to reach a wage settlement by midnight of August 28.

Union negotiators, meeting with company representatives in Cleveland, Ohio have notified the firm that the contract will expire midnight of August 28.

Members of local 336 will vote around the clock today in union headquarters, Yost road and Firestone boulevard.

THE RESULTS of their balloting will be added to results of seven other local unions across the United States, to determine whether the union will wage a company-wide walkout, should negotiations fail to resolve wage differences.

Local 336 officials yesterday distributed pamphlets which asked

members to go out and vote. The union move has been interpreted as "standard and expected procedure."

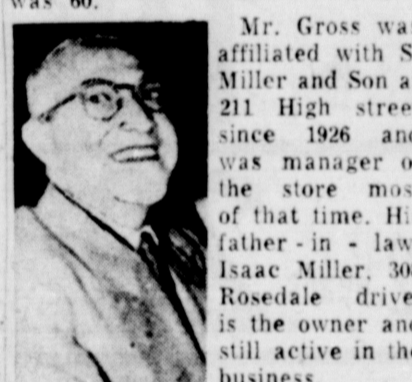

Similar strike votes were taken by the union near the conclusion of negotiations other years. This past year's strike was pulled by union leaders, as authorized by members of the eight local unions. Negotiations began early this month. Local 336 President Robert

STANLEY GROSS LOCAL CLOTHING MERCHANT DIES

Men's Store Official Was Active In Lodges

Stanley Gross, High street men's clothing merchant for more than 25 years, died at 7 a. m. yesterday at Pottstown hospital. He was 60.

Stanley Gross

Mr. Gross was affiliated with S. Miller and Son at 211 High street since 1926 and was manager of the store most of that time. His father-in-law, Isaac Miller, 308 Rosedale drive, is the owner and still active in the business.

Mr. Gross, who lived at 308 Rosedale drive, was afflicted with an asthmatic condition for the past ten years. Three weeks ago he became seriously ill and was removed to the hospital and placed in an oxygen tent.

About two years ago he was a Pottstown hospital patient for a brief time and the past Fall went to Lankenau hospital in Philadelphia where tests were made in an effort to find the cause of his condition. And several years ago he spent some time in Arizona in an effort to better his health.

Because of his brisk step, sparkling eyes and good humor, few persons except close friends and relatives were aware of his ill health.

MR. GROSS was a lover of sports. He was a golfer at Brookside Country club and a fisherman. For years he and his wife, the former Eleanor Miller, spent vacations at fishing spots in Maine.

At the country club, Mr. Gross was an avid bridge player and for years was chairman of the club's bridge committee.

He was born April 24, 1895 to Rose (Goldsmith) and Max Gross and was reared and educated in Bloomsburg, Pa. In 1914, he moved to Philadelphia and shortly afterwards went into the Army, serving as a sergeant in the Medical

Diane Gives Us Cold Shoulder, And Wet Weather

Pottstonians yesterday were poised and ready for the devastation of Hurricane Diane, but the tropical monsoon early this morning promised to let the borough off with another dousing of rain and winds of 25 miles per hour.

Steady light rain was falling in the borough at 1 a. m.

The rains began early last night in the borough, and continued intermittently throughout the night.

With expected sporadic showers today—the legacy of Hurricane Diane—the rainfall for August will inch toward or possibly exceed the all-time rainfall for August, set in 1891 when 11.76 inches soaked the area during the month of humidity

Uranium Fever Affects Local Stock Buyers Too

Pottstown investors have joined the rest of the nation in nibbling on uranium stock.

In fact, some area residents have been pulled into wildcat speculation deals in the atom age ore, according to one local source.

S. Oscar Boughner, manager of Suplee, Yeatman and company, Pottstown investment securities firm, said he had been besieged in recent months by inquiries from persons who had purchased stock from Canadian companies.

Area Youth Injured In Freak Accident

CAR SKIDS, HITS HEAVY WALL, EMBANKMENT

Parkerford Motorist Seriously Hurt in Crash

By ROBERT HOYER
(Mercury Staff Writer)

A Pottstown area youth was injured seriously last night when his 1952 black sedan, skidded out of control, crashed violently into a heavy stone wall, caromed off the wall, turned down a side road, and rammed into a steep bank with its engine running furiously.

The youth was Robert Grebe, 16, of Parkerford, Box 278B Pottstown.

He was proceeding west on Old Route 83 in a light rain when the four-door sedan whipped out of control.

The car ran for 25 feet along the outer lawn of Mrs. Emma Wells, and then crunched head-on into the heavy brown stone wall in front of the Wells' property.

On first impact, Grebe was hurled free of the spinning car, which twice more assaulted the heavy wall and then turned miraculously north on the side road which intersects Route 83.

3 Children Injured As Mother's Car Crashes Into Pole

Three Pottstown children were injured yesterday afternoon when the sedan their mother was driving locked brakes and crashed into a utility pole at High and Keim streets.

The injured were:

Kay Marlene Miller, 5, cut of the upper lip.

Barry Lee Miller, 12, a bump and bruise of the forehead.

David Miller, 6, a possible fractured jaw.

The ill-fated car was operated by Mrs. Mildred Miller, 26 Reynolds avenue, mother of the children.

David was admitted to Memorial hospital for treatment and observation. His condition was "satisfactory," early this morning.

KAY MARLENE and Barry Lee were discharged after treatment.

Mrs. Miller, who was not injured, told police that she was proceeding east on High street, made a right turn onto Keim street and as she made the turn the brakes locked and she skidded into the pole.

Impact Crumbles Stone Wall

Robert Grebe, 16, Parkerford motorist was hurled from his skidding sedan early last night. The car bounced violently into a high stone wall along the property of Mrs. Emma Wells, standing on steps under umbrella. Nevin D. Overdorf, garage owner, who lives across the street from the damaged wall on Route 83, holds umbrella for passing motorist who gave emergency treatment to the injured youth. The car, after bouncing off the wall, made an abrupt left turn down a side road, and rammed into a bank, just below Overdorf's garage, with its motor roaring and its transmission jammed. \$40,000 from Unlisted Residents

Census to Boost Borough Income

By NORMAND POIRIER
(Mercury Staff Writer)

Pottstown may pick up more than \$40,000 in new taxes as a result of the census taken by school teachers this Summer.

The census has turned up about 2500 new names. Borough officials believe that a good many of those 2500 names are already on tax lists somewhere and that many others will be exonerated from paying taxes.

But officials are hopeful that Second ward has 356; Third ward, about 2000 names will be new to 124; Sixth ward, 365.

That's a total of 1045 new names in those four wards. The remaining six wards are expected to boost the figure to 2500.

The work being done by the school personnel is not complete, however.

Borough Assessor Horace Y. Seidel, scanning the lists from the first four wards to be completed, explained:

"THERE ARE names listed in the West ward, for instance, of

Husband Races Stork, Loses —It's a Boy

A former Pottstown area girl met the stork while enroute to Ephrata hospital yesterday and gave birth to a 10-pound-one-ounce boy in her husband's car.

Mrs. Norwood Geunes of Mohnton, the former Emma Moyer of Boyertown, and her new son were doing fine in the hospital last night.

It was the couple's third child. Two other boys are Elwood, 7, and Ronald, one year.

Mrs. Geunes left her home at 6:45 a. m. yesterday with her husband at the wheel of the family car.

WHEN THEY reached Morganstown, three miles away, Geunes realized that they wouldn't reach the hospital.

He stopped the car in front of a

Boy Breaks Arm In Scooter Crash

A 16-year-old Pottstown area boy suffered a fractured left arm yesterday afternoon when his motor scooter skidded in the rain and he was hurled to the rough, macadam roadbed.

The victim, Elmer Brunk, Box 230, Roversford RD 1, son of Mr. and Mrs. Paul W. Brunk, was returning from a trip to Roversford when the accident took place at 1:30 o'clock at Stryer's corner.

Brunk was proceeding north on Township Line road, and at Stryer's corner turned left on Linfield road. As he turned the corner the front of his scooter gave way on the rain-slick macadam and he went sprawling.

He suffered a fractured left forearm. He was discharged from

Food Quality Affected Drouth Causes Price Hike In Local Stores' Produce

The long drouth experienced this Summer has caused an increase of price in some of the local produce sold in Pottstown grocery stores.

All the grocers are of the same opinion that the long drouth has definitely hampered the quality of sweet corn and caused a rise in price for peaches.

Although most of the prices

have been averaging about the same as last year, the quality of the produce has been damaged.

Clarence Fox, produce manager for Rosenberry's Pioneer Shopping Center incorporated said last night that peaches have been on the market for several weeks, but the price is a little higher this year. They are selling for 29 cents for 2 pounds.

FOX SAID, "The sweet corn this year is pretty poor, but it still is the same as last year's crops. For two years now the farmers have been having a long dry spell and that doesn't help crop growth."

Mrs. Leonard Koplin of Koplin's

Borough's Financial Outlook is Good At Halfway Mark

The borough financial picture at the halfway mark for 1955 had been given an okay by Council Finance Chairman Edward H. Hunnicutt and Borough Manager Horace B. Gulden.

The borough should wind up with a surplus at the end of the year—about \$2000 to \$4000 it was predicted by Hunnicutt and Gulden.

But both men quickly added that it's impossible to determine a surplus this early in the year.

In the past few years the borough has averaged from \$6000 to \$12,000 surpluses—not enough to prevent the borough from making temporary loans at the beginning of each new year.

HUNNICUTT explained, "The budget is based on the anticipated revenue. The needs of the various departments then are fit into that revenue picture."

"Actually we need to come out as close as possible, because each department needs all the money allocated to it."

"We're just about even for the first six months of the year."

Auto Slides to Crash

Auto Towed Away After Hitting Truck At Intersection

A car had to be towed away yesterday afternoon after it crashed into the side of a truck at Beech and Grant streets.

Marvin P. Garner, 1253 Queen street, was driving the car east on Beech street at 1 p. m.

She said she applied the brakes when she saw the truck, traveling south on Grant street the car continued to slide into the side of the truck.

The truck driver, Robert L. Brennan, 444 High street, said he never saw the car.

No one was injured. But the front of the car was mashed in. The right rear of the truck was damaged.

Gaping Hole Grows Foot by Foot as Spectators Gape

PASADENA, Calif., Aug. 17 (P)—Aircraft worker Ed Krantz heard a gurgling noise, looked out a window and saw part of his front lawn disappear into a hole in the ground.

Krantz grabbed a tape measure and went outside. Sure enough, there was a hole—36 inches wide and four feet deep.

He went next door and called the Rev. S. Edgar Langford, pastor of the Assembly of God church. Langford grabbed the tape and announced the hole was five feet deep. He called the sheriff's office.

Two deputies arrived, borrowed the tape and said the hole was six feet deep. They called the water company.

The man from the water company got down on his hands and knees, took the tape and announced the hole was seven feet deep.

Then several neighbors, attracted by the commotion, had to see for themselves. After a quick check they said the hole was ten feet deep.

The man from the water company said the hole was probably an old cesspool.

THE DEPUTIES said it was probably an abandoned oil well.

The Rev. Langford said he didn't know.

The neighbors said they were glad it wasn't in their lawns and went back to bed last night.

So did everybody else. Except Krantz, his wife and daughter. They went back to the lawn and watched the hole gurggle and grow until it reached a depth of 12 feet—when it finally stopped.

Came the dawn and an examination disclosed the water man was right. It was an old cesspool. The county health department ordered Krantz to have it filled immediately.

WEATHER--

and vacations.

WITH YESTERDAY'S 62 inches, the old rain record stands in jeopardy. Another .51 inches will top that mark.

The rain for August 1955 stood at 11.16 inches at 1 o'clock this morning.

Although Pottstown had no appreciable rain until early last night, heavy showers soaked the North End and surrounding areas yesterday morning.

It rained in Limerick and Sanatoga yesterday morning and it rained in Limerick early yesterday afternoon.

WINDS THIS morning are expected to reach a velocity of 25 miles per hour as a weakened dissipated Diane passes west of Pottstown.

The hurricane was expected to move somewhere between Altoona and Pittsburgh.

Diane began losing her steam yesterday as she stormed north into the Carolinas and Virginia.

Her most boastful achievement was the sticky humidity and sporadic showers, but compared to her predecessors, Hurricane Connie this past weekend and Hurricane Hazel this past October, she was a virgin saint.

THE MERCURY again yesterday handled dozens of telephone inquiries on the fading Diane. Callers were relieved to learn that Diane wouldn't be anything like Connie and Hazel.

Farmers, who only a week ago were praying for rain, yesterday were lifting their eyes heavenward and hoping for high dry winds which dry out water-logged fields.

It will be cloudy and rainy today and cloudy and warmer tomorrow.

URANIUM--

(Continued From Page One)

the securities through literature sent to their homes or by direct telephone calls from Toronto or Montreal, he said.

MUCH OF the stock is practically worthless, Boughner continued.

"We've had calls from people who want to sell what they've already bought," he said. "But there is just no bid for it. We have to refuse them."

In recent months, Boughner said, he believed the high pressure sales talk of the uranium companies had been checked by joint agreements of the U. S. State Department and the Canadian government.

"But there were quite a few who were approached in this area, especially in farming communities," he said. "Those companies would call up factory workers, too. I don't know where they got the names. Literature was sent to many and they would call and ask us about the company. If we knew, we'd call them."

THE WILDCAT companies offered shares at very low prices—perhaps 10 to 20 cents—sold with the possibility that uranium ore might be discovered.

Another gimmick used by companies, Boughner said, was advertising natural gas and oil holdings with the extra attraction that uranium ore might be discovered in the borings.

"There are none of these wildcat companies in the States to amount to anything," he continued. "In the past few weeks I believe the government, members of the stock exchange and others are frowning on all these fly-by-night companies."

He added that speculators have made money in some of these companies, but it is "like playing a slot machine."

"NINETY-EIGHT percent don't hit," he said.

"Some people have bought some pretty good stocks out of Canada," he added. "The bad part is that people don't know if the money is budget. We couldn't afford it."

Hunnicut added, "If we had all the good roads required, had fulfilled the requests of all departments and had taken care of the requests from all worthy agencies, then there would be little objection to building up a large surplus, but as long as there is so much to do with the funds available, we don't want too large a surplus."

STRIKE VOTE --

(Continued From Page One)

E. Garber, and member of the international executive board, represented Pottstown members the first week of discussions.

Local 336 Vice President Elwood Sellers and Jerry E. Rutter, a member of the Local 336 policy committee, are representing the union in Cleveland this week.

Garber returned to report to local membership this past Sunday and has remained in Pottstown to aid in the strike vote.

Pamphlets listed the times the polls would be open at the union headquarters and asked for membership support of the Cleveland negotiators.

corps in World War I.

In 1919, at the close of the war, Mr. Gross began his business career as a buyer for a Philadelphia chain of men's stores. He later served with another similar store chain.

HE WAS married in 1922 and four years later, came to Pottstown with S. Miller and Son.

In recent years, Mr. Gross, as a sports spectator, was a roofer for the Phillies baseball team and the Philadelphia Eagles of the National Professional Football league.

He was a long-time member of what is now the Mercantile

bureau. He also was a member of the George A. Amole Post 47, American Legion; the Alexander Hamilton Lodge, F and AM, of Philadelphia; the Philadelphia lodge of Elks and the Country club.

He was a former member of the Pottstown Rotary club.

Mr. Gross, in addition to his wife, is survived by a son, Richard I. Gross, 659 Woodland avenue; a sister, Mae G., wife of Dr. F. F. Meyers, Beech and Pine streets; a brother, Simon, New York city, and a grandson.

Services will be held Friday from the Houck Funeral home, 112 North Washington street, at the convenience of the family. Interment will be in Highland Memorial park.

PROBE ORDERED

SCRANTON, Aug. 17 (P)—A full-scale grand jury probe of the May 1, 1954, dynamiting of a partially built home in north Scranton was ordered today by President Judge T. Linus Hoban.

HALFWAY MARK--

(Continued From Page One)

Gulden added, "The only way we're going to have a surplus at any time is if we underestimate receipts or underestimate expenditures."

"We've had surpluses in the past, but we've really estimated the budget tight this year. We hope to come out about even."

GULDEN said the only advantage to a large surplus is preventing short term loans at the beginning of each year. These loans cost the borough about \$600.

He explained, "But we'd have to have \$100,000 to avoid borrowing, and this figure represents about one-sixth of our

budget. We couldn't afford it."

Hunnicut added, "If we had all the good roads required, had fulfilled the requests of all departments and had taken care of the requests from all worthy agencies, then there would be little objection to building up a large surplus, but as long as there is so much to do with the funds available, we don't want too large a surplus."

Hurricanes Make History

POTTSTOWN is bracing herself for another "blow." Hurricane Diane, the word was when this was being written, may bring into Pottstown some heavy rain, and some accompanying gusts of wind.

But the weatherman says there isn't much to worry about. He has hopes the blow won't be anything like those two hurricanes that made weather history in 1955. Nor like the 261 hurricanes storm gods of the North Atlantic hatched in the past 68 years.

Connie, that inundated Pottstown with more than nine inches of rain to flood the entire area, was preceded this year by Alice. Alice, which swept across the Caribbean, was remarkable in one respect. It was the first January hurricane marked on United States weather bureau books. Very few have ever been reported; the first was noted by an earnest weather observer, Christopher Columbus.

Alice was followed by Brenda. This gale generated power south of the Mississippi river mouth on July 31 and blew itself out over Louisiana and Mississippi in three days. It didn't quite work up a hurricane head of steam, which must be winds of 73 miles per hour or more.

From 1887 through August 10, 1955, the weather bureau has recorded hurricanes by months: one in January; one in May; 11 in June; 15 in July; 62 in August; 109 in September; 53 in October; eight in November; and one in December.

Most pestered out at sea. When they hit the United States their target was most often south Florida or the western Gulf coast. Along the Atlantic shore the frequency rate diminishes with the distance northward.

The names of this year's crop were picked from a list of previously accepted terms, all short and easily understood. As they occur, the storms take their tags in alphabetical order.

Thus Alice came first, then Brenda, then Connie, with Diane and Edith in store for those that follow.

Next year names will start at the beginning of the alphabet again, but there will be another set. There won't be any more Alices, or Brendas, orConnies.

Few if any hurricanes—maelstroms of shattering wind and rain spinning like a top—have been more methodically tracked than 1955's.

At least two flights a day—one by the air force and one by the Navy—kept a weather eye on the movements of Connie. When the fickle lady dawdled 225 miles southeast of Myrtle Beach, S.C., gyrating crazily but making headway of only 25 miles in 10 hours, meteorologists were able to trace its every antic, thanks to radar-equipped planes.

Much remains to be known about hurricanes. But observation of these land-flooding, house-scalping, tree-snapping and often man-killing storms has now come of age. This happened when radar sharpened the eyes of the airplane.

Hurricane winds still pack the same punch they always did. A big blow works up more energy than hundreds of atom bombs all exploding at once. In the form of water vapor it lifts two billion tons of water and dumps this titanic load as rain within 24 hours. Nature in the raw is seldom as impressive or as frightening.

Even so, man has learned to roll with the hurricane's punch. In 1928 before the day of a full-fledged warning system, a wall of water killed 1836 persons. Twenty-one years later a similar hurricane over virtually the same path left a toll of only two.

How Alert is Pottstown?

MAYBE The Mercury's "Russian colonel" stunt wasn't such a screwball idea as some folks tried to make it out to be.

The Mercury, you recall, sent a very military "Russian colonel", decked out in a snappy, colorful field uniform, around town to "blow up" bridges, to "poison" Pottstown's water supply, and to buy vodka in local taverns.

Nobody paid any attention to him, despite an edict by the United States State department putting Pottstown "off limits" to any Russian travelers.

Some observers thought he was a high-ranking Salvation Army officer. One tavern tippler wanted to know "what outfit are you in, buddy?" But police didn't question him, even though he flaunted his uniform on High street and passed three cops along the main stem, until late in the day when he completed his mission.

So how alert is Pottstown?

Fifteen air force personnel landed at the Pottstown municipal airport, spent a week there on a problem, and then departed without a soul in town (outside of Airport Manager John Basco and son) knowing anything about it.

How'd they get away with it? How observant is Pottstown?

PUNKIN CORNERS, August 17.

Editor, The Mercury,

Dear Sir 'n' Brother:

Wal, I guess hurricanes must be quite an irritant to Pottstown girls of the name of Connie and Diane. How'd you like your friends asking you to blow in some time?

August's sultry heat came back again today when the temperature again went over 80. But cheer up. There'll soon be chilly weather to complain about!

And say: The House un-American activities group is staging a Broadway Red hunt. Rep. Francis Walter (D), Penna., is producer! Hopin' you air the same.

Firestone Wife Deplores Union Rule 'by a Few'

Not Democracy

To the Editor: It is about time someone in high authority in the Firestone union set the labor leaders at the Pottstown plant right about these "wildcat" walkouts.

My husband works at the plant and he says, "It doesn't do any good to go to the meetings. You've got to agree with the ringleaders or you don't have anything to say."

So a few men can throw all the others out of work by simply waving their wand of power. If that's democracy, I'll eat it.

The only thing I'll agree with Mr. (Robert E.) Garber about is that this is an "internal" problem. Yes, and the sooner that this "internal" (or should it be "infernal?") problem is settled by the union leaders the better off every worker at Firestone will be.

How can a family have any kind of security when the wage-earner must work by the whims of a rebellious few? Boyertown RD 2 SICK OF IT ALL

Would Fire 'Wildcatters'

To the Editor: If I were the Firestone company, I would fire every single one of these "wildcat" strikers.

It has been pointed out that they are acting in violation of contract, so the company must have the right to fire them.

WASHINGTON Trailer Courts Seen As Rising Industry

By RAY TUCKER

WASHINGTON, Aug. 18 — President Eisenhower recognized the rebirth of a new and expanding industry when he signed a Federal Housing Bill that provides for Government insurance of loans for automobile trailer courts.

This was one of several features of the measure which he personally disapproved.

Incidentally, reflecting the change in motoring and living habits, the industry's spokesmen no longer call them "trailers," a term which is associated with the depression and the "Okies."

The new and more applicable description is "mobile homes," inasmuch as it is estimated that about 2,000,000 people live in them permanently, and the number grows every year.

HOMES ON WHEELS: This population on wheels was born during the depression days, when many people found that they could vacation or live in trailers at less cost than in conventional homes.

It expanded rapidly after World War II, when a shifting working and military population discovered them to be cheap and convenient.

Sales in 1952 amounted to about \$1,000,000 worth. The total for 1955 is placed at \$400,000,000. Surveys show that 65 percent of trailer occupants are mobile workers, mostly construction; 25 percent military, and only 10 percent are retired people seeking the sunlight of Florida, California and the Southwest. Their annual incomes range from \$4000 to \$5000.

Both the industry and the "mobile homes" have grown enormously in recent years. Prewar trailers were primitive vehicles from 10 to 15 feet in length. This year, 45 percent of production consisted of 40-foot trailers and even longer ones.

LUXURY MODELS: The additional length has gone into complete bathing facilities, tub and shower, more living and dining space, and two bedrooms. A completely furnished "mobile home," 36 feet long and sleeping four people, with all conveniences and furnishings, costs from \$4000 to \$7000 for luxury models.

A resulting problem has been the need of more adequate highway, power, sewage, plumbing, landscaping and recreational facilities. One Florida trailer park, for instance, boasts a yacht basin. Banks have been loath to lend, still regarding the trailer population as cousins to the "gypsies."

The new Housing Bill permits 80 percent Government insurance of \$1000 for a single trailer site, and \$300,000 maximum for any single trailer park.

CUSTER - CROCKETT PARALLEL:

The following item is published at the request of numerous editors. The ideas were first advanced in a not-for-publication memo to editors, but they seem to have awakened wide interest:

"There is a curious parallel between the lives and deaths of Davy Crockett and George Armstrong Custer. Both died in needless and tactically unprepared battles. And yet, the Alamo and Custer's Massacre are two of the most illustrious and inspiring legends in American history.

"The Alamo should have been evacuated. There was no attempt to build up a supply of munitions and provisions. There was no effort to send out scouts to ascertain the strength of Santa Ana's Mexican force. The men died heroically but futilely, from a military standpoint.

"In doing research for a planned book on Custer, I discovered that he was no hero. He was a vainglorious soldier seeking selfish, personal ends, and he led his men to needless slaughter.

Wife Wants Way Out

To the Editor: This is my first letter to your Readers Say column, although I enjoy reading it very much.

I notice that some of the people who write have complaints and others have problems. Well, my letter is more in the nature of a problem.

I have been married for 20 years and only recently I found out that my husband has been having an affair for the last two years with a woman who has been working for us as a housekeeper three days a week.

I can't do the housework because I have a five-day-a-week office job, so this woman has been doing it for us. We have no children.

We have been saving money from what my husband and I earn and now have almost enough to pay for a house, something we have always wanted. Now, with what's happened, I don't know what to do.

Shall I give up my husband and get a divorce, and with it give up the home that I have always wanted? Or should I

overlook this affair as just a "mistake" on his part? He has promised not to see the other woman again (we have discharged her as an employee) and to go straight.

This may sound foolish, asking advice on something like this in a letter to a newspaper. But we have very few close friends and I don't want to alienate those we do have by letting them know what has been going on.

Maybe some of The Mercury's readers can help me. I sincerely hope so. Pottstown BEWILDERED WIFE

MARY MARTIN who rarely loses her temper, is sizzling because "The Skin of Our Teeth" has been booked into a non-air-conditioned theatre in Chicago. And she's not alone. Other members of the

cast are in a mood ranging from livid to furious. . . Eartha Kitt will play "Salome" on television in December, with British star Michael Redgrave as her leading man. Peter Brook is being brought over from London to direct, and Leonard Bernstein will create a special score for the "Omnibus" presentation.

Susan Hayward is in town, but obviously not to attract attention. She wore dark glasses as she shopped for boys' toys at F. A. O. Schwarz, and when she dined with three attractive men at the Stork Club she refused to let the camera girls take her picture.

THE ANNOUNCEMENT that Martin and Lewis will resume partnership has produced very little joy among their associates. A quote from one co-worker: "It ain't going to be much fun. We're all bracing ourselves against the inevitable tense-ness. In fact, we dread facing the prospect of the two of them together again."

THE WORRY CLINIC By DR. GEORGE W. CRANE POLLY S., aged 26, is in love with a man who is 42.

"Dr. Crane, my friends tell me there is too great an age difference for us to be happy," Polly protested.

"But Paul has the same interests and hobbies that I do. We also are both active together in the same church and sing in the choir."

"He was previously married but his wife died three years ago. He has two daughters in high school."

"They seem to like me very much. So do you think I am foolish to marry him?"

AGE IN ITSELF is not very significant as regards your chances of happy marriage.

Some playboys of 38 to 45 are still emotionally juvenile, so they might be far younger than a 20-year-old girl who had earned her way through high school and had developed the social maturity of the self-reliant modern office girl.

The real age to consider for permanently happy marriage is the emotional age of the bride and groom.

And that is not necessarily anywhere near the calendar age. Polly is a mature woman with two years of college.

She has worked for her own living. She has high ideals coupled with a great deal of practical experience with people.

And her prospective husband is a stable personality who has already been housebroken for happy marriage.

POLLY HAS a gay, happy disposition. And Paul likewise is a genial type who has high morals and who will give her economic as well as emotional security.

Besides, Polly has no other likely suitors. And she is old enough to realize the happiness of being settled in a home of her own.

In this type of case, we psychologists usually are glad to endorse the marriage.

Polly should, of course, sit down privately with Paul's two high school daughters and ask their opinions.

A certain amount of jealousy is more or less inevitable in such a situation, but intelligent adults can generally handle all such problems that arise.

If she marries Paul, she likewise must decide whether she wants to be the mother of his high school girls.

If she "adopts" them as her own children, psychologically, and if they freely express their desire to "adopt" her as their mother, then this union of mother and daughters is just as vital and secure as that of Paul and Polly when they say "I do."

Rock Hudson's chums wonder whether he still plans to marry Phyllis Gates — in December or at all. It's no longer a secret in Rock's Set that he has slipped over a far more famous movie beauty.

A highly important meeting of the Scottish clan leaders is scheduled for this month. Top secret. The No. 1 subject for discussion: Will they okay Princess Margaret's wedding to Peter Townsend? Quite an explosion involving producer Herman Shumlin and press agent Arthur Cantor. Cantor quit, with V e r b a l flourishes. . . . Edith Sitwell's biog in "Who's Who" is so startling. Under the line for "education" she filled in: "Educated in secrecy."

Dick Shawn, the singing-and-dancing comedian, gave up his planned "situation" TV show to sign an exclusive contract with Ed Sullivan. The 27-year-old chap who three years ago was sleeping on the floor of a furnished room in Brooklyn will be paid \$100,000 for eight performances.

SMART, NEW SCOOP HEELS!

DESKS READIED FOR WASHINGTON SCHOOL PUPILS

New desks for the Washington school building, now under construction, were being assembled at the Franklin school yesterday.

The desks will be set up in the three schools which the Washington school pupils will attend while the new building is being completed.

Pupils from two grades will attend the West End school, two grades at Rupert and three at Franklin.

The desks will be delivered to these schools and set up in the activity rooms there before the resumption of classes next month.

WHEN THE Washington building is completed, the desks will be transferred with the pupils to the new school at Walnut and Penn streets.

Superintendent of Schools Havid Fosnocht said yesterday the use of activity rooms for class work will handicap pupils in the three schools during the first few months.

The activity rooms are ordinarily used for school assemblies, special programs and Parent-Teacher association meetings.

When the desks and other classroom furniture for the Washington building arrived recently, they were stored in the gymnasium and activity room at Franklin school where they were being assembled yesterday.

Scouting Fair Ticket Campaign Planned by Units

Representatives from 63 units of the Continental district met at the Firestone Tire and Rubber company, Pottstown, last night to prepare for the forthcoming ticket sales campaign of the 1955 Scouting Fair being produced by the Valley Forge Council, Boy Scouts of America, October 14 and 15 at the Devon horse show grounds.

The meeting was presided over by Mr. Robert G. Weller, Pottstown, district ticket sales chairman.

Mr. S. Louis Cornish, Trappe, district Scouting Fair coordinator told the group that the show, being produced for the third time by the Scouts and leaders of the Valley Forge Council, has become recognized as one of the top Boy Scout events of its kind in the entire country.

At present, there are more than 425 Cub packs, Scout troops and Explorer posts signed up to participate in the Fair. The Continental district expects at least 63 units to take part.

IN ADDITION to 400 booth displays, 40 camping displays and many special features, there will be six arena shows featuring 5000 Cub Scouts, Boy Scouts and Explorers.

The ticket sales campaign will begin throughout Delaware and Montgomery counties on Sept. 9, when each of the 650 packs, troops and posts of the council will hold ticket sales kick-off meetings.

More than 86,000 people attended the 1953 Scouting Fair.

Leaky Cellar Is Basis For Damage Suit

A Pottstown area building contractor and his wife have been named co-defendants in a \$13,706.34 damage suit filed in Berks county court by a Boyertown RD 1 couple.

The plaintiffs, James P. and Jean A. Reese, have charged Royden and Helen Peters, also of Boyertown RD 1, Douglass township, with misrepresentations in connection with the sale of a property.

Peters is alleged to have represented in May, 1952, to the plaintiffs that one of his houses near Englestown, Douglass township, was so situated that water would not flood the cellar and that no water problem existed.

The plaintiffs aver water drains into the cellar and that the defendants misrepresented the facts.

THE REESES claim they suffered a loss of \$5706.34 and because of misrepresentations, also discomfort and mental anguish in the amount of \$3000.

In addition, they claim \$5000 as punitive damages.

Forrest G. Schaeffer Jr., of Edelman and Schaeffer, attorneys, Reading, represents the plaintiffs.

Cops Don't Dig Driver, He Gets 10 Days in Jail

DETROIT, Aug. 17 (AP)—"Dig that crazy driver," said friends of Arthur L. Humphrey, 20, when they saw him driving down the street in his convertible.

But police didn't dig. When they arrested Humphrey yesterday on a charge of reckless driving, he was:

1. Driving while sitting on the driver's door with his feet dangling outside the car.
 2. Holding a tree branch, with which he was working the gas pedal and brake.
 3. Steering with his other hand.
- He got ten days in jail.

Cub Scouts Plan Community Clean-Up; Grace Church Final Plans Made for Family Picnic

COLLEGEVILLE—Mrs. Donald Yerkes, Cor. Phone Schwenksville 9105, Gerald Wefelinger, del. Phone Collegeville 9371.

Plans for the annual Cub scout "Community Clean-up" were formulated on Monday evening by the executive board of Collegeville Pack 87 which met at the home of Mr. and Mrs. R. C. Reichart on Ninth avenue. As a part of the four-point cubbing program, the Cub Scouts will be participating in this project by cleaning up their neighborhood by dens. Den mothers will be in charge of the activity in each community.

Final plans were also made for the pack's annual family picnic to be held in the Ursinus college picnic grove on Friday evening, Aug. 26 beginning at 6:30 o'clock. A father and son baseball game will be played following supper.

Attending the meeting were cubmaster, Edward Lehman, Mr. and Mrs. Ephraim Hallman, Mrs. Wilbur Loos, Mrs. Irvin Ottinger, Leonard Bibbs and the hosts.

Mr. and Mrs. Frank Light and children, Frank and Suzanne, of Trooper moved on Wednesday to the former Heiges property on Sixth avenue.

MR. AND MRS. Paul Levensgood and son are entertaining this week Mrs. Charles J. Hood and daughter, Elizabeth Ann, of Ardmore.

Dr. and Mrs. Edward Platte entertained the members of their bridge club on Saturday evening.

Mrs. Arthur J. Weber and Suzanne and Stephen, Mrs. D. H. Bartman and Helen Bartman spent last Wednesday at Hershey park and took a tour through the Hershey chocolate

Dana Firm Buys Plant in Detroit

Pottstown Spicer employees, who are part of the Dana corporation, were interested in the news yesterday that the parent company had purchased another plant.

The Murray Corporation of America, Detroit, negotiated the sale of its automotive chassis frame division, inventories and assets for cash to the Dana corporation.

The Murray Detroit plant employs 1500 persons. It does \$330,000,000 worth of business a year.

B. C. Gould, president of Murray, said the formal closing and "take over" by Dana is scheduled for Sept. 1.

Dana also owns another automotive chassis frame plant in Reading, the Parrish Pressed Steel company.

Woman Injures Hand In Box Machine

Charlotte Robinson, 55, of 401 Chestnut street, suffered brush burns and blisters on the palm of her left hand when she caught her fingers in a paper box covering machine.

She was discharged after treatment at Memorial hospital dispensary at 11:50 o'clock.

Family Picnic Held By Jaycees at Park

Eighty members of the Pottstown Junior Chamber of Commerce and their families gathered at Sunnybrook park last evening for a picnic and games.

Featured on the menu were such foods as baked beans, ham, potato salad, tossed salad, cheeses, pickles, coffee, milk and ice cream.

Because of the rain, the games were conducted under the shelter. Prizes were awarded to the winners.

STAGES SCENE—The House Un-American Activities Committee hearing on Communist infiltration of the amusement industry gets away to a stormy second-act opening in New York as Elliott Sullivan, veteran actor from San Antonio, Tex., takes the stand. Sullivan, who has appeared in eight hit movies and is currently musical director at a Wingdale, N. Y., resort, launched an attack on his questioners that caused Senator Francis E. Walter (D-Pa.), the chairman, to warn him of a contempt citation.

Fails to Name New Pastor

No successor has been chosen yet for the Rev. Dr. Edgar S. Brown Jr., former pastor of Grace Lutheran church.

W. Mark Henricks, chairman of the church's special committee to select a pastor, said the committee plans to visit other churches to hear candidates for the local pulpit.

Names of candidates will be supplied by the office of the president of the Ministerium, Henricks said.

After hearing the candidates, the committee will recommend those it considers most suitable.

and they will be invited to preach before the Grace church congregation.

The Rev. John Hassler of Sinking Springs, is acting pastor of Grace church until a permanent one is chosen. Dr. Brown left the local pulpit to head a new department of worship in the Lutheran denomination.

Area Man Injured While Cutting Wood

Roy Evans, 70, of Pottstown RD 3, yesterday afternoon suffered a deep cut of the right knee when an axe slipped while he was cutting wood.

Nine sutures were required to close the deep gash at Memorial hospital dispensary. Evans was discharged at 4:30 o'clock after treatment.

Keystone Grange Confers Degrees On Four New Members at Meeting

Four new members were given the third and fourth degree by the Trappe Keystone Grange Youth degree team during a meeting at the Grange hall last night.

New members were Mr. and Mrs. Wilbur Higby and daughter, Carol, and Joanne Kihel.

Mrs. Ruth Underwood, State Youth committee chairman of the London Grove Grange 43, was present to score the members of the degree team.

It was announced during the business session that the youth committee of the grange would send six members to Camp New-Hamilton at Mt. Union for a three-day session in grange work.

Wilson Moyer Repairs Building

SUMNEYTOWN—Phone Haywood 4302, Del. Linwood Renninger, Phone Boyer 7-6328.

Wilson Moyer is repairing a small building at the home of Mr. and Mrs. LeRoy Grubb, which was badly damaged by his car.

He had parked it at Frieden's Union church, leaving the motor running, and pulled the emergency brake. He went into the church to attend to his duties as sexton, when he came out in a short time—his car was gone.

In some unknown manner it moved, ran down the parking field, across Penny road, then down the Grubb driveway into the building.

Ike Catches Trout, Practices Golf at Rocky Mountain Retreat

FRASER, Colo., Aug. 17 (AP)—President Eisenhower turned up with the prize catch—a two-pound rocky mountain trout—at his vacation retreat here today. But his seven-year-old grandson got just as big a kick out of landing two smaller fish.

One of the Ten Most Wanted Men Nabbed by FBI

NEW CASTLE, Pa. Aug. 17 (AP)—One of the FBI's 10 most wanted men—a little fellow with greying black hair and a thin mustache—was arrested in nearby New Bedford today.

He is Charles (Little Mosco) Falzone, 42, alias James Lavelle, wanted in New York on an armed robbery charge.

FBI circulars describe him as "quiet, cool, reserved—capable of participating in any type robbery."

Sought for the past eight years, he was seized by State Police and FBI agents as he slept in his five-room home. They said he was "well covered" and gave them "no trouble" despite the fact that 15 pistols, 7 rifles and a shotgun were found in the house.

HE HAD been living here and working as a carpenter ever since he married a New Bedford woman in 1947. His wife was not at home when the officers closed in. Falzone is wanted by federal authorities in Buffalo, N.Y., on a charge of unlawfully fleeing the state to avoid prosecution for armed robbery.

He was indicted in Buffalo Nov. 26, 1947, for a \$6000 payroll holdup the previous May at the Tonawanda Boat company. Following his arrest, FBI agents took Falzone to Pittsburgh where he was arraigned before U.S. Commissioner Edward Snodgrass Jr.

THE PRISONER declined to waive extradition to Buffalo and was held in \$30,000 bond pending extradition proceedings.

FBI agents towered over the small, wiry Falzone as he was led into the commissioner's office attired in a dark brown sport shirt and grey slacks. During the hearing he calmly puffed on a cigarette and crossed his legs in a casual manner.

The FBI said they nabbed him on a tip from a person who recognized his face on an FBI "wanted" poster.

AT THE hearing Falzone hinted his wife may have been the tipster. He told Commissioner Snodgrass he "had trouble" with his wife last week and added: "I didn't force her out of the house and I didn't threaten her bodily harm or anything, but she seems to have aggravated the present situation."

Falzone said he had served time in a Massachusetts reformatory and also 10 years of an 8 to 12 year sentence in a Massachusetts prison for armed robbery.

"This is a fine way to start a trout season," the President shouted in delight as he reeled in the big fellow, a 17-incher. He hooked it a few seconds after he started casting in St. Louis creek with a dry fly.

Grandson David, who fished earlier in the day without the President, caught two 12-inch rainbow trout. It was the first time the youngster ever had fished and he had himself a fine time at Mountain Ranch.

James C. Hagerly, presidential press secretary, reported that Eisenhower caught "a lot of trout" in about 3½ hours, but stayed under the daily limit of ten.

DAVID FISHED a well-stocked pond but his grandfather elected to pass up the pond in favor of swift-running St. Louis Creek. The quiet pond, a presidential aide told newsmen, "is not his dish."

Hagerly disclosed the President signed at 11 a. m. today an executive order for a military code covering Americans in combat or captivity. Eisenhower said in a White House statement accompanying the order:

"No American prisoner of war will be forgotten by the United States. Every available means will be employed by our government to establish contact with, to support and to obtain the release of all our prisoners of war."

The President was up at 6 a. m., and, in addition to fishing, got in some golf practice in a nearby pasture. He fired iron shots at a six-foot square white target board about 150 yards away. He also put in some time at another hobby, painting.

An enthusiastic cook, the President prepared breakfast for his entire party—sliced peaches, flapjacks made from flour and corn meal, sausages and coffee. He, Hagerly and Denver banker Aksel Nielson, his host, ate at 7 a. m. Others sat down an hour later. For dinner tonight, the President had a big beef roast in the oven—and he hoped to have a few trout.

Woodley, 190 Moser road, sued Joseph and William Quigley, trading as Quigley Brothers, Bally, to collect wages for his services as a supervisor for the defendants, for use of an automobile and hauling a load of gravel to the defendants' Wernersville farm.

Woodley was awarded \$175 by Court Arbiters John S. Speicher, Randolph Stauffer and Harry W. Speidel. Arbiters are appointed by the court to save excessive trial costs in minor civil suits.

2 Pottstown Area Agricultural Pupils Awarded Prizes for Exhibits at Fair

Agriculture pupils from two mesh cornerb was part of the Pottstown area schools won first prizes for exhibits at the Kutztown fair this week.

Paul Hillegass, son of Mr. and Mrs. William O. Hillegass, Perkiomenville RD 1, won a first prize for his potato exhibit.

Bert Spencer, son of Mr. and Mrs. Paul Spencer, Shanesville, won third prize for the same type exhibit. Both Spencer and Hillegass are 1955 graduates of Boyertown Area Joint High school.

"Feeding on the Fat of the Land," a rat-control exhibit from Upper Perkiomen Joint High school, was another first prize winner.

FORTY-FIVE pupils prepared the exhibit with the help of Victor S. Ensminger, teacher of vocational agriculture at Upper Perkiomen.

The agriculture pupils used real rats in their exhibit, plus three rat traps and containers of approved rat poisons.

"Rate destroy \$10,000,000 worth of food a year," warned a streamer above the exhibit. Underneath were color pictures showing how to eliminate rat harbors.

Use of poisons, proper trapping and methods of rat-proofing also were shown. A section of wire-

FIVE SCHOOLS had exhibits at the fair, Ensminger said. This was the third year Upper Perkiomen has been entered.

Ensminger said his pupils are planning to exhibit also at the Reading and Allentown fairs this fall. Exhibits there will include samples of the pupils' small-grain and corn crops and other projects.

Upper Perkiomen's agriculture department has been one of nine in the State to be selected as exhibitors at the January farm show at Harrisburg during the past seven years. It has won several first and second prizes there.

Boyertown agriculture pupils who plan to exhibit at the Reading fair include William Becker, Boyertown RD, who will be a senior at the school this fall. He will show a holstein.

HERBERT C. STEVENS, teacher of vocational agriculture at Boyertown, also announced that Oscar Hellrich, East Greenville RD 1, a 1955 graduate, has entered an essay contest sponsored by the association of co-operatives.

Hellrich also plans to take part in a bus tour with other farmers to the Walker-Gordon farms in New Jersey.

Neal R. Burtner, agriculture teacher at North Coventry High, said his pupils are preparing cattle, hog and poultry exhibits for the Northern Chester County fair early next month.

"This fair will be the biggest ever to take place at the Norco school," Burtner predicted. "It will include exhibits by pupils from Spring City and Warwick as well as North Coventry."

The fair will take the place of the North Coventry Farm and Home Products show of former years. Spring City and Warwick pupils will be included because they now are within the new Northern Chester county school jointure.

Spring City High school is now a part of the Spring-Ford jointure, so Spring City agriculture pupils will attend Northern Chester joint schools this fall.

Earl Hallman Jr. Honored at Party On First Birthday

TRAPPE—Mrs. Donald Yerkes, Cor., Phone Schenckville 5103, Wm. Brown, Del., Phone Collegeville 5471, Perry Kratz, Del., Phone Collegeville 1040.

Mr. and Mrs. Earl Hallman Sr. of Cherry avenue entertained on Saturday with a birthday party honoring their son, Earl Hallman Jr., who was a year old on Aug. 2.

Their guests included Mr. and Mrs. Perry Sparks and sons, Dickie and Terry, of Yerkes; Mr. and Mrs. Norris Hopkinson and sons, Garry and Jerry of Lederach; Mr. and Mrs. Howard Brandon and son, Larry, and William Keckane all of Norristown; Mr. and Mrs. George Slier and children, Carol, Ronnie and Larry, of Spring City; Betty Ann and Kathy Hallman and the honor guest.

Mrs. John Minnick returned home on Saturday from Memorial hospital where she had been a patient for the past two weeks.

Charles Lutz of East Seventh avenue and Alfred Rosser, son of Mr. and Mrs. Edward Rosser, are spending two weeks at Indiantown Gap with the National Guard of Pennsylvania, Company B, 11th Infantry.

MR. AND Mrs. Renard Wheeler and family were recent weekend guests of Mr. and Mrs. Lawrence Ryan of Worcester, Mass.

Mrs. Richard Wolf and son, Rickie, are spending the week at Ocean City, N. J.

Mrs. Linwood Yost spent an extended vacation in Williamsburg, Va., and other points of interest in the state in the company of Mr. and Mrs. A. R. Whitlock and Mrs. Mary Willis of Ocean City, N. J., and Milton Wunder of Germantown.

She also spent a couple of weeks with the Whitlocks in Ocean City.

The home of Mr. and Mrs. Linwood Yost on First avenue was a haven for several families who were forced to leave their homes along the creek because of high waters in the Perkiomen on Saturday.

SENT TO PRISON

PHILADELPHIA, Aug. 17 (AP)—Stephen F. Cupples, 67, former president of a volunteer fire company auxiliary in Harrisburg, today was given a one-year prison sentence and fined \$1000 by U. S. district court judge George H. Boldt for failing to file returns for the auxiliary in 1950 and 1951.

A reunion of the descendants of William and Elizabeth Hess was held on Sunday on the Clay Hess farm on Hess road, which was the original home of William and Elizabeth. Over seventy members of the family from Montgomery and Chester county's and Philadelphia were present.

Carol Ann, daughter of Mr. and Mrs. Louis Krug, was admitted on Monday evening as a medical patient in Sacred Heart hospital.

He told Magistrate N. D. Murray Monday that he had thrown a stray cat off his cot in the watch house twice one day.

He described it as a stray making a nuisance of itself and said he did not approve of the cat's morals.

Two enlisted men, G. Billis and N. Rowe, were the officer picked up the cat and threw it out of the door. Stymest said the cat got up and walked away both times.

Vacationing

With
Mercury Readers

By THE VACATION EDITOR
Of The Mercury Staff

Niagara Falls has long been a favorite honeymoon spot for young romantic couples, but local travelers have proved this Summer, that it is also a popular resort for families and friends.

Viewing the spectacular sight from the Canadian side are Nancy and Lloyd Boughter Jr., 428 King street. They wrote, "We are having a wonderful time visiting here. We arrived at the Falls after a tour of the Grand Canyon."

Nightfall at Niagara.

Their postcard shows the water illuminated under brilliant colored lights. The searchlights total about one billion, 320 million candlepower and their colorful brilliance turns the Niagara into a Fairyland.

Zelda Geyer, 554 High street, sent a card from Miami Beach, Fla. She wants to assure all her friends at home that she survived her first airplane trip to the vacation destination.

She wrote, "It was really a wonderful experience. Everything was so clear and sunny up there."

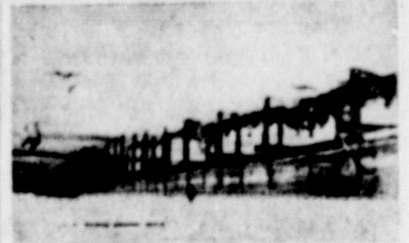

Florida flower garden.

Pictured on her postcard is a colorful display of poinsettias and azaleas seeking shelter and support from the giant palm trees. The beautiful floral display is found in the Royal Palms, Sunken Gardens, Florida.

HURRICANE CONNIE interrupted the Summer vacation of

Maryann and Edward Diehm, 262 Broad street, Spring City, They wrote, "Hello everybody! We finally managed to get a few days vacation here at Avalon, N. J., after the storm."

Scene at Avalon, N. J.

Their postcard shows a long pier leading from the beach out into the ocean. A crowd of sunbathers relax under the pier out of reach of the hot mid-day sun. In the background are two youngsters searching the sands for a few sea shells.

Spending a week at the Wildwood, N. J., seashore resort are Mr. and Mrs. M. H. Reider and Pauline Reider, Douglassville, and Mr. and Mrs. S. H. Reider and children, Daner and Barbara, 894 South street. They said, "Hi everybody! We are having a nice vacation here at the shore. The water is swell and we are getting real neat suntans. We haven't been bothered with too much rain."

Crowded Wildwood boardwalk.

Shown on their postcard is the boardwalk and beach scene. In the background can be seen a favorite dance hall and an amusement area.

SUMMER VACATIONS and tours are of interest to many local persons. If you plan to take a trip very soon, why not let your friends at home know your whereabouts and what you are doing.

Send a black and white postcard with your greetings, full name and home address to the vacation editor, Pottstown Mercury.

Everyone looks forward to hearing from you and your family by way of The Mercury!

Sanatoga Grange Women Defeat Men in Annual Program Contest

"Women's Night" highlighted the meeting of the Sanatoga Grange in the grange hall last night.

Seventy-five members were present to hear the judges of the men and women. Night contests, proclaim the women as winners.

Male members of the grange will have to serve a banquet to the victors sometime in the near future.

Taking part in last night's program were: Janet Mills, who gave piano solo; Marie Donahue, Joyce Evans and Ruth Ann Sell, who gave a skit; Alice Landis, who gave a talk on safety; Nancy and Fay Young, who sang, and Dorothy Miller, who gave a recitation.

FRANCES SCHOTT, Janet Mills, Grace Mills, Beatrice Radcliffe, Marguerite Saylor and Betty Rahn participated in a play; Fyetta Rapp introduced some facts on agriculture; Mary Boxman sang; Ruth Evans, Elsie Keim, Beatrice Radcliffe and Mary Boxman gave a rendition of the old time quartets.

Ruth Evans, Elizabeth Shaner gave a skit; Florence Renninger, reading; Patricia Hanna, a piano solo; Patricia High, a flute solo and Marie Donahue, a reading.

Judges for the affair were: Mr. and Mrs. Charles Shupe and Earl Hatfield.

Master J. Marvin Evans presided at the meeting. Refreshments were served by Beatrice Radcliffe.

Directors Vacationing, C of C Meet Canceled

The regular meeting of the Board of Directors of the Pottstown Chamber of Commerce was not held yesterday.

Ralph H. Spare, executive secretary of the chamber said the meeting was canceled because some directors are on summer vacations.

The next meeting will be Wednesday, Sept. 21.

Willard Kleintop Entertains Club; Rev. King Substitutes at Hospital

EVANSBURG — Mrs. Donald Verkes, corr., Phone Schencksville 9103, Del., Phone Pottstown 5009.

Willard Kleintop of Level road entertained members of the Norristown American Businessmens club at a chicken dinner on the lawn of his home the past Wednesday evening.

Mr. and Mrs. Willard Kleintop enjoyed a motor trip last week to Canada and the Thousand Islands.

The Rev. Jonathan S. King of Evansburg road is substituting during the month of August as chaplain at the Norristown State Hospital during the absence of the Rev. Anders, who is on vacation.

The Rev. and Mrs. Jonathan S. King entertained Mr. and Mrs. Arthur Harley of Norristown over the weekend.

CARL LEATHERMAN of Farnhurst, Del., spent the weekend here with his mother, Mrs. Jacob Leatherman of Collegeville road. Elaine Rufo was the honor guest on Sunday at a party given by her

parents, Mr. and Mrs. Joseph Rufo of East River road, in celebration of her 11 birthday anniversary. The forty-five guests played lawn golf and other games during the afternoon.

Mr. and Mrs. Victor Poplars of Penn Drive marked the birthday anniversary of their daughter, Patty, who was nine years old on Aug. 6, and the completion of the new swimming pool on their property, at a swimming party last week. Local guests attending were Patty's grandparents, Mr. and Mrs. George Skelton, Mr. and Mrs. Joseph Rufo and family and Kathy, Walter and Jimmy Smith. Eight out-of-town guests were also present.

JUSTICE TO MEET

PHILADELPHIA, Aug. 17 (AP) — The top men in America's courtrooms—the chief justices of the 48 State supreme courts—gather tomorrow for three days of legal discussions aimed at improving the nations judicial system.

APPLICATION FOR BRIDGE FILED IN HARRISBURG

Lower Pottsgrove township has filed an application for a new bridge over Sprugel's run on North Adams street with the State Department of Highways and Montgomery County commissioners.

Township commissioners met with Frederick C. Peters and Foster C. Hillegass, county commissioners, about the matter yesterday afternoon at the court house in Norristown.

"The commissioners seemed to favor it," said John Saylor, president of the Lower Pottsgrove board. "We discussed

what had to be done and what was involved. The county engineer will make a survey and decide what type of bridge should be built."

The present bridge is a narrow stone arch structure that permits only one-way traffic.

SHARP CURVES on each approach to the narrow span make it difficult to see oncoming traffic. Sixty percent of the cost of the new bridge will be paid by the county, and 40 percent by the township.

It will be engineered and built by the county.

"It's hard to say just when it will be built," Saylor said. "First the survey has to be made."

Francis V. Donohue, Joseph C. Mack and Newton H. a u s e m a n, Lower Pottsgrove commissioners, accompanied Saylor to the meeting with the county commissioners.

Showers Force Picnic Indoors

Lower Perkiomen Rotary club members had to move their picnic indoors when showers drenched their outdoor location on Route 29 near Collegeville last night.

The 85 members, wives and children adjourned to Moorehead's dining room in Trappe, where they were served a buffet-type supper.

After the meal they heard a humorous monologue by "Father Knickerbocker," New York actor and television performer.

PRE-BIRTHDAY PARTY

LONDON, Aug. 17 (AP)—Mrs. Mary Budd celebrated her 100th birthday yesterday. She insisted on the party even though some nosey body found out she does not reach the century mark until October.

Truck Crashes,
Just Misses Boy

A runaway truck crashed into a fence just a few feet from the porch perch of a nine-year-old Pottstown area boy.

The lad, John Flisock, of 420 East Race street, Stowe, was sitting on the porch of the home of his grandparents, Mr. and Mrs. Menys Bogvos, Phoenixville, when he saw the truck careen down the street, and skip over the curb.

The operator of the truck, Norman K. Souder, 30, Spring City RD 1, told Phoenixville police he had parked the vehicle and entered a store when the brakes on the truck apparently failed and it rolled away.

Damage to the truck was estimated at \$25, to the fence, \$75. The mishap occurred Tuesday. Flisock is the son of Mr. and Mrs. Peter S. Flisock Sr.

Bullet in Ex-Soldier
Removed After 38 Years

PHILADELPHIA, Aug. 17 (AP)—Surgeons have removed a bullet from Remo Foresi's chest. It had been there for 38 years.

Foresi, 58, of Red Oak, near Scranton, was shot in the left arm in 1917 while serving in the Italian Army.

Recently Foresi, who came to this country to work in Pennsylvania's coal fields, noticed a pain in his chest. X-rays showed that it was the bullet, which had traveled some 10 inches from his shoulder to a point dangerously near the heart.

Pottstown's Prides

Another in the series of beautiful homes that make Pottstown warm.

This is the ranch-type red brick home of Mr. and Mrs. Louis D. Fakete, 240 Mineral street. The house is 13 months old and has three bedrooms, a living room, dining room, laundry room, powder and bathrooms. There is a large basement and storage space in the attic. White and grey woodwork trims the outdoors.

To the rear of the home there is a large patio. The entire house is air-conditioned. It was built on a lot measuring 110 feet by 146 feet and has an attached garage. Fakete is assistant manager for the Metropolitan Life Insurance company, Pottstown. The couple has one daughter, Louise, 14 years old.

Cars Collide, Both Say They Had Green Light

Two drivers who both thought they had the green light collided last night at the intersections of Beech and Charlotte streets.

The sedan of Wayne P. Fitzcharles, Douglassville, Box 137, was completely wrecked in the front portion although Fitzcharles escaped injury.

He told police he was traveling north on Charlotte when the traffic light went green and he started across the intersection. Then he said he was struck by coupe going west on Beech.

Melvin Haas, Pottstown Route 18, driver of the coupe, said the light was green for east and west traffic and red for north and south when he passed through.

THE COMPLETE front of his car was damaged. He also was uninjured.

Motor Patrolman Thomas W. Corum investigated.

Herziah Buchert, 68, of Pottstown Star Route, and Martin Chapay, 39, of Linfield, met unexpectedly last night as their cars skidded in the rain, one mile north of Pottstown along Route 100.

Buchert was heading south on Route 100 and Chapay was proceeding north along the rain-slick highway. Jeffersonville State Trooper William A. Karvois estimated damage to the two cars at \$225. Neither driver was injured.

Walter Romanski, 20, of Telford RD 2, and Elmer Boohar, 34, of Zieglerville, collided on Skippack Route 73 in Skippack early last night. Damage to the two cars was set at \$225. There was no injuries.

SPRING--

(Continued From Page One)

branch of an apple tree in his hand determined to find where the water was. He wandered all over the rocky hill and when the stick pointed downward, he dug and discovered the spring.

Thomas is used to the outdoor woodsman's life for he worked on farms when he was young. His father was a miller in Goshen, near West Chester.

"THAT SPRING used to fill a gallon jug in 13 seconds until I had a smaller pipe put in," he said. "I don't mind people taking as much as they want when there is plenty of water there. But when it takes as long as three minutes to fill the jug, they should take it easy."

Thomas was a blacksmith and wagon repairer in Pughtown for many years after his marriage. His wife also helped in the business.

"She could take the studs out of wheels and everything," he said proudly.

Thomas and his wife and family left Pughtown in 1917, first living in Kenilworth for a year. They've been in Pottstown at their present address since that time.

THOMAS WORKED for the former McClintic and Marshall Steel company, Levensgood's dairy, Burdick Ice Cream company and Notle Auto Parts before retiring.

He said he left the blacksmith business because it was just too much work. Maybe it was fortunate, because with the coming of automobiles, horses and wagons became practically unknown.

The couple has one son, John Thomas, 3 Farmington court; two grandchildren and three great-grandchildren. Two other sons died years ago.

house, knocked on the door, and told a woman—identified as Mrs. McNeil—that his wife was having a baby in the car.

Mrs. McNeil ran to the car and delivered the son.

In the meantime, the distraught husband called an ambulance. By the time it arrived, the baby was born.

Mother and son were then rushed to the hospital. They were both reported in tip-top shape last night by hospital authorities.

They named the boy Larry John.

CENSUS--

people who just moved there and who are listed on tax books as residents of the third or eighth or tenth ward."

Seidel said he would have to check all the names again to clear up errors of this type.

There seems to be a triplication of effort here, however. Tax Collector Charles S. 'Pete' Grubb said yesterday that even though the school personnel and the assessor's office checks the names for errors, his office will have to do the same thing over again.

He pointed out that before he sends anybody a tax bill he'll want to have made sure that the person hasn't already received a bill—in other words, isn't already on the books.

GRUBB FEELS that if errors are made and residents get a second tax bill, residents will put the blame on him, not school officials or the assessor's office.

The persons who are added to the tax lists as a result of the teacher's census will get tax bills early in September, the same tax bills that the borough's other 14,200 taxpayers received in July.

But for these new persons there will not be the benefit of a two percent discount, a discount which the 14,200 can avail themselves of by paying their taxes before Sept. 1.

The tax laws clearly state that a person is responsible for paying his own taxes. If he or she doesn't receive a tax notice, he or she is responsible for reporting the omission to the tax collector.

And so the 2000 who will be receiving tax notices for the first time in September have no right to the two percent discount since that period will have expired.

Up-To-Date Grocery store said that peaches this year are selling at 25 cents for two pounds. Last year they were selling at 29 cents for 3 pounds.

"As the season progresses, the prices should lower a little," said Mrs. Koplin. It's still too early to set a definite price on apples, since they are just starting to be placed on the market.

She said, "Sweet corn in higher this year. We are selling it at 59 cents a dozen. This Summer just wasn't the weather for a good crop. I find that the Jersey corn has been more popular with our customers."

Tomatoes are selling at 2 lbs. for 25 cents this year. Mrs. Koplin admits that the quality of the tomato is not as good as last year. "They are much smaller in size this year."

MRS. MARY LESSIG, Lessig's market, feels that the dry weather had an effect on the size and quality of the peaches. She is selling them at 25 cents for 2 pounds.

She said, "When the peaches first start to appear on the market, the prices are always a little higher. They should level off as the season goes on."

Apples are also selling for higher prices. Mrs. Lessig also said, "Tomatoes are much smaller in size this year. I remember last year our tomato grower would come in with such beautiful big juicy ones and this year just hasn't been the same."

Proprietor of the Jefferson Food Market, Charles Rosenberry said that sweet corn isn't as plentiful as in years before. He blames the shortage on the long drought last month.

PEACH PRICES at the store are a little higher, but he expects

them to level off as the season progresses.

"Corn is tougher this year," said Frank Leveille, owner of Leveille grocery store. "We are selling our tomatoes for about the same price as last year—2 pounds for 25 cents."

Also noticing a poorer quality in corn and tomatoes is Michael E. Pace of the Manatony Food mart. He claims the weather this Summer has caused smaller ears of corn and tomatoes.

Luther Neiman, of the Peoples Market, said that tomatoes this year have been very scarce and poor in quality.

He also mentioned that peach prices at the market were following the general trend and were higher than in previous years.

car was damaged.

An illegally parked car caused a State highway department truck and a sedan to collide on High street, between Penn and Hanover streets.

MARGUERITE RAIDER, 421 Main street, Royersford, collided with the State highway truck. She told Patrolman Daniel Kegel that she was proceeding east on High street in the second lane and collided with the truck as she began to pass it.

The truck, operated by George Pendleton, Willow Grove, in the outside lane, pulled toward the inside because of the parked car, obstructing his path.

The right front door and rear panel of the car were damaged. There was no damage to the truck. The accident took place at 1:30 o'clock.

Self-Together Effort Kept Brother Apart

KANSAS CITY, Aug. 17 (AP)—

When twin brothers were ordained Roman Catholic priests nearly 30 years ago they promised each other they'd try to get assignments to the same school.

But until today Father Louis Keenoy and Father Francis Keenoy never were stationed at the same place at the same time.

Louis arrived today to join his brother on the faculty at Rockhurst college. He came here from Prairie du Chien, Wis.

As they met today they recalled an effort to become members of the same teaching staff in 1938.

Father Francis, then teaching at Regis college in Denver, applied for a transfer to Rockhurst college here. He planned it as a surprise to his brother, then teaching at Rockhurst.

The request was granted. When Father Francis got to Rockhurst, he found his brother, also keeping a secret, had applied for a transfer to Regis. His request also had been granted.

Lost Grandmother Still 'Critical'

Mrs. Sadie Dolgert, 65, Linfield, Mrs. John Zwickak, daughter of who was found unconscious in a Mrs. Dolgert, asserted from her patch of weeds near her Linfield home, "Dolgert is the right name this past Monday, remained name. I don't know where they in 'critical' condition in Memorial got the change."

The name of the aging grandmother, who had previously wandered away from her home, yesterday was relisted by the hospital as Sadie Ksenia.

A hospital spokesman said the request in the name change was made by relatives.

Debra Lynn Burns Honored at Party To Celebrate Birthday Anniversary

TRAPPE—Mrs. Donald Yerkes, Corr. Phone Schwenksville 9183, Wm. Brower, Del. Phone Collegeville 9477, Perry Kratz, Del. Phone Collegeville 7640.

Debra Lynn, daughter of Mr. and Mrs. Harold Burns, was two years old on Aug. 14. She was the honor guest at a family celebration with her grandparents, Mr. and Mrs. Earl Fuhrman and son, Earl of Norristown and Mr. and Mrs. David Burns and daughter, Barbara, of Audubon and Mr. and Mrs. Hubert Bouche and children, Connie and Joyce of Oaks and her sister, Sandra Jane Burns, as guests.

A son, Timothy Harry, was born in Pottstown hospital last week to Mr. and Mrs. Harry Vasey, 103 East Third avenue.

Kathleen Hoisington was the guest last week of her uncle and aunt, Mr. and Mrs. Howard Hoisington, in Quarryville. Richard Hoisington spent the week with his cousin, Larry Groff in Parkersburg and Dean Hoisington was the guest for two days of James Garthley in Schwenksville. The children

and their parents, Mr. and Mrs. Richard Hoisington, spent the weekend in the Grand Canyon of Pennsylvania near Wellsboro.

Mrs. Walter Cressman was a patient in Phoenixville hospital for several days this week.

BONNIE AND Jimmie Cressman were the guests for several days this week of Mr. and Mrs. Russell Emrich Sr. of Phoenixville. Mr. and Mrs. William Levering and family spent two days last week in Wildwood, N. J.

Clarence Stepp of Third avenue and Leonard Crist of Media have returned home from a week spent in Harrisonburg, Va.

Mr. and Mrs. Clarence Stepp and daughter, Roene, entertained at dinner on Saturday evening the following guests: Mr. and Mrs. Richard Ober-shine and son of Royersford, Geraldine Stepp of Linville, Va., Francis Engle of Norristown. Other evening guests were Mr. and Mrs. Weldon Emsweiler and daughter, Dorothy, of Spring City and Mr. and Mrs. John Doebeling of Stroudsburg.

Mr. and Mrs. Samuel H. Wisler and family entertained over the weekend Mr. and Mrs. Charles Gottshall of Annyville. Additional dinner guests on Sunday were Mr. and Mrs. Nathaniel Gottshall of Royersford.

MR. AND MRS. Arnold Brown and sons spent last week vacationing at Lake Wallenpaupack in the Poconos.

Mr. and Mrs. Roy Shirar returned home on Saturday from a weeks motor trip to Niagara Falls, Canada and the Thousand Islands. Shirar observed his birthday anniversary while they were away on Aug. 10.

Kenneth C. Shirar, son of Mr. and Mrs. Roy Shirar, has received a promotion to the rank of Machinist Mate Third Class. He is stationed aboard the U.S.S. docked at San Francisco, Calif.

STRIKE BANNED
WASHINGTON, Pa., Aug. 17 (AP)—Washington county court has temporarily forbidden the CIO united steelworkers from carrying out a strike at the Pennsylvania Trans-former company plant in Canonsburg. Judge Roy I. Carson issued the preliminary injunction yesterday. He granted it on petition of the company, which contends the union violated a "no strike" clause of the county welfare department.

Police reported that Carol said her father had beaten them because they had taken meat from the refrigerator without permission.

Carol's arms and back were covered with welts and cuts. Donald had cuts and welts on his back and puffed eyes and lips.

Judge Clarence E. Conley sentenced the parents to Onondaga county penitentiary and placed the Hobarts' four children in custody of the county welfare department.

Eisenhower Announces Military Code Governing Conduct of War Prisoners

WASHINGTON, Aug. 17 (AP)—President Eisenhower today proclaimed a military code that holds to the loftiest ideals of bravery, but recognizes that every man, if captured, has a breaking point under physical or mental torture.

The President's executive order, issued at the Summer White House in Denver, was made public by the defense department.

An accompanying report, prepared by framers of the code, said that since modern warfare may reach "the doorstep of every citizen," it may well become a code "for all Americans if the problem of survival should ever come to our main streets."

The need for a code became most apparent in the Korean war, when a number of American captives were tortured or otherwise induced into making false statements against their country. Also, a number were found to have ratted on their fellow prisoners.

The code proclaimed today, is for men in combat as well as captivity. It follows:

1. "I am an American fighting man. I serve in the forces which guard my country and our way of life. I am prepared to give my life in their defense."

2. "I will never surrender of my own free will. If in command I will never surrender my men while they still have the means to resist."

3. "If I am captured I will continue to resist by all means available. I will make every effort to escape and to aid others to escape. I will accept neither parole nor special favors from the enemy."

4. "If I become a prisoner of war, I will keep faith with my fellow prisoners. I will give no information or take part in any action which might be harmful to my comrades. If I am senior, I will take command. If not, I will obey the lawful orders of those appointed over me and will back them up in every way."

5. "When questioned, should I become a prisoner of war, I am bound to give only name, rank, service number and date of birth. I will evade answering further questions to the utmost of my ability. I will make no oral or written statements disloyal to my country and its allies or harmful to their cause."

and its allies or harmful to their cause.

6. "I will never forget that I am an American fighting man, responsible for my actions and dedicated to the principles which made my country free. I will trust in my God and in the United States of America."

Gen. John E. Hull, onetime supreme commander in the Far East and vice chairman of a committee which drew up the code, told reporters that it recognizes that "any man can be broken if enough pressure is put on him."

Still, Hull said, those who framed the code were convinced that "no matter what the pressure, there are certain things that a man cannot do, such as deny his country."

COSTLY STRIKE

PITTSBURGH, Aug. 17 (AP)—Westinghouse Electric corporation said today an 8-day strike at its East Pittsburgh plant has cost workers more than one million dollars in wages. Negotiations with Local 601, CIO International Union of Electrical Workers, are deadlocked.

Schmidt Refuses to Take Back Wife

SACRAMENTO, Calif., Aug. 17 (AP)—Efforts of his wife Una to discuss a reconciliation drew only a snub from Airman Daniel Schmidt, the latter's attorney, Howard Welch, said today.

"Danny is not interested in a reconciliation. He has made up his mind," Welch said in discussing the case of the airman who returned from a Red China prison to find his wife had remarried.

The attorney said Una had attempted to use Mrs. Nellie Peters, the airman's mother, as a go-between. She called Mrs. Peters in Portland, Ore., Welch said, and suggested the three talk over the marital triangle in Portland.

Meanwhile, Una's attorney, Harold Berliner, reported that Alford Fine, the lawyer whom Una said she married in the belief that Schmidt was dead, had left Una for a job in another community.

Berliner refused to comment on whether Fine and the 20-year-old mother of Schmidt's son had split up for good. The two had lived in a house trailer in the Sierra foothills.

Mrs. Peters quoted Una as saying "Mom, I want to go back to Danny."

Truman Maps Plan to Talk Demos Back into White House

WASHINGTON, Aug. 17 (AP)—Harry S. Truman today prepared a "give-'em-hell" speechmaking campaign aimed at helping return the Democratic party to the White House.

The former president said the Democrats can defeat President Eisenhower in 1956 by starting early and "taking the issues to the people" in every state.

Truman has enlisted in such a campaign. He will start the ball rolling by talks at French Lick, Ind., Aug. 27; Mackinac Island, Aug. 29 and in Detroit, Sept. 3, at a Labor Day rally. Two talks in California will follow about the middle of September.

"I'm going to tear into the Republicans," he declared in a long distance interview from his office at Kansas City, Mo.

TRUMAN BRUSHED aside any suggestion that he might be available as a candidate. He reiterated his support of Adlai Stevenson for the nomination if the former Illinois governor decides to make the race again. Stevenson's candidacy is regarded by most observers as a foregone conclusion.

(Alabama Governor James E. Folsom has said Truman could have the nomination if he wants it, and be elected.)

Truman stressed, however, that "I'm in this fight for the

duration, and behind the Democratic nominee, whoever he may be." He talked like the "give-'em-hell" campaigner of 1948.

"We'll beat the Republicans with their own ammunition," the one-time captain of Battery D of the 129th field artillery in World War I, added.

"WHAT DO you mean by beating them with their own ammunition?" he was asked.

"You just wait until I make those speeches," Truman came back, chuckling into the telephone. "I'm not revealing my own ammunition."

The veteran Missouri Democrat who surprised the nation by his election in 1948 after a whistle stop campaign of more than 350 speeches, said the two political talks he will make in California in the middle of September will be at Jefferson-Jackson dinners in San Francisco and Los Angeles.

He has another speech scheduled for an Executives luncheon in Chicago, he was reminded.

"That's not a political speech,"

Emergency Polio Ward

This is a general view in a corner of the emergency polio ward at Haynes Memorial hospital, Boston, Aug. 16, as polio epidemic reached 480 cases. Teams of doctors and nurses are giving treatment to critical bulbar cases. There are 21 iron lungs in the room supplied by the National Foundation for Infantile Paralysis, which has already brought 61 respirators into the city. Critical patients are lined up close together so hard pressed medical teams can give them fast emergency treatment as needed.

Will Be 25 Sunday

Princess Margaret Expected To Reveal Wedding Intentions

LONDON, Aug. 17 (AP)—A wave of expectation swept through Britain today with a growing conviction that Princess Margaret may soon announce her decision to marry Peter Townsend.

On Sunday Margaret becomes 25. From that birthday onward—by the royal marriage act of 1772—the pretty princess can take steps without the consent of her sister, Queen Elizabeth II.

On Sunday the royal family and their close friends will gather in their Scottish highlands retreat at Balmoral castle to bid happy birthday to Margaret—and perhaps hear of her decision.

Scores of British and foreign newsmen will be camped near Balmoral trying to learn what is going on within the castle.

THE BRITISH press openly has suggested that the man of Margaret's choice is RAF Group Capt. Townsend, a battle of Britain pilot. Until two years ago he was a royal equerry. He was assigned to Brussels as air attaché in the embassy two years ago when talk of a romance with Margaret came into the open.

Technical steps would require Princess Margaret to notify the Privy council—the queen's advisers—of her decision to wed without her sister's consent. No matter how much the queen may or may not personally favor her sister's marriage to a divorced man, the sovereign's role as head of the Church of England would make her approval out of the question.

Parliament then would have 12 months to pass resolution in both houses should it oppose Margaret's marriage. Such resolutions would make any wedding "null and void" and any children illegitimate.

But, in the eyes of some in Britain, there is nothing to stop the princess from finding a warm

ACTOR ADMITS COMMIE TIES

NEW YORK, Aug. 17 (AP)—After three days of hearings, the House Un-American Activities committee today found an actor who admitted he had been a Communist—and he named six others he said he knew as Communists.

George Hall, who has appeared in several Broadway plays and numerous radio and television shows, told the committee he joined the party in 1946 and remained active for about nine months.

Hall named six other actors and actresses as Communists during that time: John Randolph and his wife, Sarah Cunningham; Alan Manson; Joshua Shelley; George Keane and Keane's wife, Betty Winkler.

Randolph and his wife both invoked the Fifth amendment, before the committee Monday. Keane and Shelley testified after Hall and pleaded the Fifth amendment. Manson is to appear before the committee later in the week. Miss Winkler was not subpoenaed.

HALL WAS the first witness of the 17 so far called who admitted Communist membership and answered all questions asked him.

"The communists will loathe me," he said, "but I'm going to be much prouder in the new friends I'll make than in the loss of the ones who will loathe me."

Committee chairman Francis E. Walter (D-Pa.) said "I want to express appreciation for the committee—the whole congress—for what you have done here today. It isn't easy."

GOVERNOR RESIGNS

FRASER, Colo., Aug. 17 (AP)—President Eisenhower today accepted the resignation of Gov. Archie A. Alexander, of the Virgin Islands. There recently were demonstrations in the islands against Alexander's policies. The resignation, effective Sept. 1, was announced at the President's vacation headquarters here.

Virginia Hit By Frail Diane

RICHMOND, Va., Aug. 17 (AP)—Weary Hurricane Diane, fast wearing herself out in her overland journey after eight fierce days at sea, swept into south central Virginia tonight from North Carolina.

In her wake the once powerful storm left only minor, scattered damage. Most of this was from higher than usual tides which flooded sections of towns in northwestern North Carolina and rains that battered crops already hard hit last week by Hurricane Connie.

The designation of hurricane now was only an identifying label for the tropical blow whose 100 m.p.h. winds dropped to 74 m.p.h. as she passed Wilmington, N. C., and gradually diminished to 35 to 45 m.p.h. as she blew into Virginia east of Danville.

Diane was moving toward the northwest at 13 m.p.h. This speed and direction, if maintained, would put the weakening storm in northern West Virginia by mid-morning Thursday.

GUSTS AS HIGH as 55 m.p.h. were reported by Danville, in the center of the south side tobacco-growing area. Norfolk, on the Atlantic coast, had gusts to 53 m.p.h. Diane's wind and rain caused traffic dislocation in some sections of Virginia. Ferry service was suspended by the State Highway department across Hampton Roads and on the James and Rappahannock rivers. The wind toppled the roof from a foundry building at Norfolk and a wall of the building collapsed.

It was too early to assess the extent of damage to corn and tobacco crops, hurt in some cases seriously the past week by Connie, a much wetter and more worrisome hurricane than Diane.

Early reports indicated relatively slight damage along North Carolina beaches. Portions of

towns along the northeast coast were flooded by the tides.

High tides rose into streets at Washington, on the Pamlico river, and civilian defense officials ordered National Guard trucks to stand by for possible use in evacuations. Flooding conditions also were reported from Edenton, on Albemarle sound, and at Hereford, on the Perquimans river.

This second hurricane to hit North Carolina within a week, crossed Wilmington, Cape Fear river port, at 5:20 a. m. (EST) and continued on a north northwest course toward Virginia in an ever-weakening condition.

ARGENTINA HIT BY MORE RIOTS

BUENOS AIRES, Argentina, Aug. 17 (AP)—Anti-government demonstrators clashed with police and supporters of President Peron's government today in several parts of downtown Buenos Aires. Many persons were injured. About 50 were arrested.

Police broke up the disorders with tear gas and fire hoses. But fights kept erupting for a two-hour period. Several shots were fired during one encounter near the U. S. embassy.

About 500 persons started the demonstration with a march down Florida street, yelling anti-government slogans. About the same time, a few blocks away, another group leaving mass at the Roman Catholic Metropolitan cathedral on Plaza De Mayo began demonstrating.

Both groups clashed with police and other government adherents. The shots were fired a half a block from the American embassy. This fight started when police tried to arrest a man who had been hurled through the plate glass window of a swank curio shop.

'Ford Residents Prefer Swimming, Teen-Age Center in Activity Poll

Swimming and a teen-age center topped a list of 49 categories listed in a recent town-wide survey of activities most desired in Royersford.

Compiled by Police Chief Bryson Turner, the report was given last night at a meeting called by Lowell E. Wright, Montgomery county director of health and welfare council, in Royersford borough hall.

The meeting was called in order to obtain an idea of what Royersford wants in the way of recreational activities for the young people. The county official called the meeting after the Helping Hand girls' club had started a movement to acquire some type of a youth center.

During the interim, questionnaires listing 49 types of activities were distributed by Explorer Boy Scouts.

THE RESPONSE listed the desires of 190 people, 90 percent of whom were adults and parents. The various categories and number of votes registered for each were as follows:

Swimming, 106; 'teen-age center, 104; baseball, 85; social dancing, 77; roller skating, 72; basketball, 67; first aid, 62; band, 45; tennis, 44; bowling, 43; fishing, 42; ice skating, 41; softball, 41; gun club, 40; square dancing, 40; gym classes, 39; golf, 36; handicraft, 36; picnics, 36; orchestra, 35; touch football, 35; model planes, 33; sewing, 31; table tennis, 30; choral groups, 27.

Also badminton, 26; dramatics, 25; musical instruments, 25; parties, 24; volleyball, 24; wrestling, 24; archery, 20; needlecraft, 20; painting, 19; hiking, 18; track, 15; quoits, 14; costuming, 14; fly tying and casting, 12; card parties, 12; chess, 10; garden clubs, 10; public forums, 10; soccer, 10; horse shoes, 9; pool or billiards, 9; checkers, 8; skiing, 6; beagle club, 4.

Sixteen persons agreed to volunteer for leadership in a teen age center, gym classes, handball, baseball, volleyball, first-aid, gun club, track, dancing, wrestling, badminton, sewing and handicraft. Others were interested in horseback riding, bicycle hikes, boxing and photography 35 mm.

MEMBERS ALSO adopted a policy regarding use of the auditoriums of the senior and junior high schools for outside activities. They decided that if the rooms were to be used, the organization sponsoring the affair would have to pay \$25 rental and \$5 for janitor service.

The committee set a rental fee of \$10 for use of the gymnasiums in Royersford and Spring City.

The resignation of Lulu May Fuller, French and Spanish teacher in the senior high school, was accepted and Julius Spatz of Philadelphia was immediately elected to replace her. Spatz has a bachelor of science degree in education from Temple University.

One of the two vacancies in the faculty of the junior high school was also filled, when Mrs. Dorothy H. Gerger, Spring City, was elected to teach English and social studies. The school board has authorized the committee to select someone to fill the other vacancy.

In a last item of business, Thomas L. Eagle, Phoenixville contractor, was awarded a contract to resurface the parking area in the senior high school at a cost of \$525. Eagle also was awarded the contract to resurface the play area of the Mont Clare school at a cost of \$1700.

Dr. Ivan W. Hess, president of the committee, was in charge of the meeting and all eight members were present.

Local Persons Attend Affair At Topton Home

SUMNEYTOWN—Phone Haywood 4302. Del. Linwood Renninger, Phone Boyertown 7-6328.

Edna Gaugler, Edith Mayberry, Marlene Bachman and the Rev. and Mrs. E. L. Angstadt and son, Lee, attended the 58th Anniversary celebration at The Lutheran Home at Topton the past week. Because of the inclement weather, the crowd was reduced to about one-third of its regular attendance.

Lee E. Angstadt served as an usher at the wedding of his roommate at Muhlenberg College, Byard Ebling, who married Nancy Hillegass, daughter of Mr. and Mrs. William Hillegass of Reading. The ceremony took place in Trinity Lutheran Church, Reading.

The Rev. and Mrs. Angstadt and son, Lee, and Shirley McNabb of Allentown were dinner guests of Mr. and Mrs. Roland Ruth and family, Schwenksville, on Sunday.

The sample fair, sponsored by The Women of the Church of St.

John's Lutheran, will be held in the Parish Hall on Saturday, Sept. 10, beginning at 7 p. m.

The Rev. Angstadt assisted at the wedding ceremony of Jane Barndt and Maurice Tunncliffe in Grace Lutheran Church, Pottstown, the past week.

Congress Revives Plans to Entomb Unknown Soldier

WASHINGTON, Aug. 17 (AP)—The Department of Defense is reviving plans postponed in 1950 to entomb and honor an unknown serviceman killed in World War II.

Congress authorized the project, but it was laid aside because of the Korean war.

The Army has been given the responsibility of studying the five-year-old plans to see whether they should be used or new ones made.

Under the original plan six bodies of unidentified servicemen were to be brought to the United States from overseas military cemeteries.

There would be one each from the European, Mediterranean, Africa-Middle East, West Pacific and mid-Pacific theatres and the Alaskan command.

One of the six was to have been selected at a ceremony in Independence Hall in Philadelphia, May 26, 1951, and on Memorial Day, four days later, entombed with the unknown soldier of World War I in the National cemetery at Arlington, Va.

Female Employment Tops 20 Million

WASHINGTON, Aug. 17 (AP)—The Census bureau said yesterday the number of employed women and girls in this country has gone over 20 million for the first time.

A July survey showed that some 20,204,000 women and girls of 14 years or more had jobs. This was nearly 31 percent of the record total of 65 million persons employed in that month.

Jewelers Expect Increased Sales During Fall, Christmas, Levitz Says

The jewelry business is looking up. A great increase is expected during the Fall and for Christmas.

That's what Leon Levitz, Pottstown merchant, said yesterday following his return from the 15th annual convention of the American National Retail Jewelers association in New York. Levitz was accompanied by the manager of his jewelry department, Jules Lee.

Levitz said sales at the convention were unusually good because the high rate of employment and increased disposable income have opened new markets for luxuries such as jewelry. Retail buying of some lines was spurred by the fear of possible jewelry price rises if costs to the manufacturer of raw materials such as zinc, copper and lead are increased.

Attendance was heavy. More than 400 exhibitors showed more than \$10,000,000 worth of jewelry, watches, antiques, photographic equipment, binoculars, compacts, glassware, lighters, silverware and similar items.

AMONG THE innovations at the exhibit were new watch styles, greater and different uses for pappalium and three-dimensional reproductions of portrait photographs in gold for charms and cuff links. Pappalium is a metal similar to platinum.

The potential market for jewelry and watches in 1960 will be \$3,000,000,000 or more than 75 percent greater than the estimated 1955 peak level of \$1,700,000,000, according to Arno H. Johnson, vice president and director of research of J. Walter Thompson company, advertising agency.

Johnson warned the convention that jewelers must fight to realize their potential. Many industries, he said, will have major campaigns to entice the consumers' dollars. Intensified educational and selling efforts,

Johnson said, will be needed to mold the changing buying habits and interests of the public.

Population growth, he added, will contribute to the expanding jewelry market but the major increase in the industry's potential will come from a rise in expendable income. Personal consumption expenditures could top \$300,000,000,000 by 1960 compared with an annual rate of \$245,800,000,000 in the first quarter of this year, Johnson said.

Many families, he continued, have increased their income substantially in the past four years. These families and others that will join the group in the next five years will buy more luxury items than in the past, Mr. Johnson said. The jewelry industry should increase its percentage share of the consumer dollar, he added.

Girls Visit Shore To Note Birthdays

EVANSBURG — Mrs. Donald Yerkes, corr., Phone Schwenksville 9103, Del., Phone Pottstown 6000.

Mr. and Mrs. E. Wesley Smith and daughters, Nancy and Linda, spent a few days last week in Wildwood, N. J., in celebration of the girls' birthdays which were on July 28 and Aug. 11, respectively. The birthdays were celebrated at the home of an uncle and aunt, Mr. and Mrs. J. Anderson Smith Sr.

Mr. and Mrs. Elmer Fretz and family entertained at dinner on Friday evening Mrs. Laverne Fretz and children, who had just returned from a year in Guam and a year in Alameda, Cal., where Lieut. Fretz had been stationed. Mrs. Laverne Fretz and the children will be staying at their former home in Graterford until Lieut. Fretz's return from six months' assignment in Japan.

Borough Stores May Reduce Price Of Milk in Very Near Future

Pottstonians may soon be able to purchase milk in stores for one cent less per quart than the price of milk delivered to their homes.

The State Milk Control commission yesterday issued a tentative order authorizing a one cent store discount for quarts of milk sold in stores in the Harrisburg area.

Observers expect the measure to be extended throughout most of the State by Friday, Aug. 26.

Prior to the commission's action yesterday, store differentials were limited under current regulations to the Philadelphia, Scranton, Allentown, Bethlehem and Pittsburgh areas where home-delivered milk costs more than in other sections of the State.

THE PRICE cut would go into effect Sept. 1—a month before the scheduled one cent per quart increase of milk prices back to the "winter level." Milk prices are cut one cent per quart during the summer months in Pennsylvania.

The one-cent cutback in store-purchased milk will be borne by the milk dealers—for instance, Laurel Locks farms, Clover Leaf, Levegood Dairies and others in this area.

At the present "summer level" the State minimum for regular milk is 23 cents per quart. The same differential would hold true at "winter level."

The State commission also called for a 54-cent maximum discount to State and State-aided institutions.

C. GORDON ASTHEIMER, general manager of Levegood Dairies, said he understood that the institutional discount, if passed, would only apply to places such as Pennhurst State school and Norristown State hospital.

2nd Commission Withheld Because Of Security Risk

WASHINGTON, Aug. 17 (P)—The Coast Guard today disclosed a second case this year in which a reserve commission for a youth has been withheld because of security questions involving his mother.

The other case was in the Merchant Marine.

The Coast Guard said it is withholding a commission from N. Pierre Gaston, 23, pending a review. Gaston was graduated April 1 from the Coast Guard Officer Training School at New London. He ranked eighth in his class.

His attorney, Murdaugh Madden, said Gaston's commission as an Ensign in the Coast Guard Reserve has been held back because his mother was alleged to be a member of or active in organizations cited by the Attorney General as subversive.

IN THE other case, the Navy withheld an Ensign's reserve commission from Eugene Landy, 21, who ranked second in this year's graduating class at the Merchant Marine Academy, Kings Point, N.Y. The action was taken reportedly because Landy's mother had been a Communist. She said she had quit the party at her son's insistence. A special Navy board has been set up to review Landy's case.

STRIKE ENDS

PITTSBURGH, Aug. 17 (P)—A strike which shut down three finishing mills and a blooming mill at U. S. Steel corporation's nearby Clairton works is over, the company said today.

PHILADELPHIA, Aug. 17 (P)—A family of six evacuated their two-story, six-room home in suburban Darby last night a short time before it collapsed into a pile of rubble.

Committee Votes POW Accounting

WASHINGTON, Aug. 17 (P)—The Defense Department's Prisoner of War Committee emphasized in heavy black type in its report today that the Communists "should be held strictly accountable" for the 470 Americans still listed as missing in action in the Korean War.

"Information indicates they were at one time or another in Communist hands," the committee report said.

It noted that the United States through the United Nations has consistently demanded an accounting for them.

Gen. John Hull, retired, vice chairman of the POW committee, told a news conference:

"We should never relax our efforts to find out what happened to our men who are believed to have been captured."

THE 470 have been declared missing, he declared. The Communists should account for them in accordance with the Korean Armistice agreement.

"The Communists did not honor this agreement," the report said.

A total of 4428 American fighting men were recovered from enemy prison camps in the "little switch" and "big switch" prisoner exchange.

After the repatriation operations were concluded the U.N. command listed 944 American servicemen as "missing" and presumably in enemy hands, the report said.

Comptroller General Rules Cheese Deal Was 'Improper, Unauthorized'

WASHINGTON, Aug. 17 (P)—cheese, no right to change its form and no right even to look at it without permission of the purported 'seller'.

Staff members of Fountain's Government Operations Subcommittee said Kraft Foods company received about \$700,000 in the deal and the Borden company about \$300,000. They listed these other payments:

C. J. Berst and company, Portage, Wis., \$150,000; National Biscuit company, \$108,000; A. & P. Stores, \$93,000; Superior Cheese company (a safeaway affiliate) \$74,000; and H. J. Heinz company, Pittsburgh, Pa., \$24,000.

An Agriculture Department spokesman said its buying price before April 1, 1954, was 37 cents a pound, while its selling price after April 1 was 34 1/4 cents a pound except in East and West Coast States, where it was 35 1/4 cents.

Fountain protested that although the price support program was intended to benefit the farmer the real beneficiaries in this instance were "grocery stores, restaurants, bakeries, and spaghetti manufacturers."

The situation arose when Secretary of Agriculture Benson decided to lower the Government's price support for cheese from 90 to 75 percent of parity on April 1, 1954.

Distributors immediately moved to unload all the cheese they could on the government before the support level fell, the Agriculture Department said.

In order to keep cheese in channels where it would be readily available to consumers, the department added, it arranged "purchase retail transactions" under which it paid distributors for the cheese at the old support level of 90 percent parity and sold it back to them at the new 75 percent rate in a series of paper transactions.

The Comptroller General's ruling, made at Fountain's request, held that the price of dairy products may be supported only by means of purchases or loans. It found that the Government had committed itself to resell the cheese to the original owners without ever holding a real property interest in it.

FOUNTAIN said in a statement that although the department contended it had made bona fide purchases, the transactions "gave the department no right to move the cheese, no right to transfer it to another, no right to retain the

Gerald Anderson Named Director Of National Bank

Gerald M. Anderson, executive vice-president of the National Bank of Pottstown was named a director of the bank yesterday at a meeting of the board.

He fills a vacancy created by the resignation the past April of Leonard Leaf, Pottstown banker for the past 37 years, and Henry A. Bell, chairman of the board since 1952. The second vacancy was filled the past April by Robert E. Jeffries, chairman of the board of Neapco.

Anderson, 52 years old, came from Stroudsburg to become associated with the borough bank the past June 15.

He was a bank examiner for 17 years and served as a senior officer of the Stroudsburg Security Trust company.

HE ALSO served as an official at a bank in Wilkes-Barre.

Both Leaf and Bell were 50 year men before they resigned and were awarded coveted pins by the Pennsylvania Bankers association at the 61st annual convention at Atlantic City the past May.

Leaf was a banker for 57 years in Pottstown. Bell worked in the borough as a banker for 45 years.

Burke Sworn In As Navy Head

ANNAPOLIS, Md., Aug. 17 (P)—Adm. Arleigh A. Burke, one of the youngest admirals to ever head the Navy, took over his new duties today with a pledge to meet "any threat to our country's sea supremacy and our national security no matter from where that threat comes."

He relieved Adm. Robert B. Carney as Chief of Naval Operations in precedent-breaking ceremonies at the U. S. Naval Academy. It was the first time the command had been changed outside Washington offices since the job was created in 1915.

The 53-year-old destroyer commander, who helped spark an "admirals revolt" for a new supercarrier in the 1940s, had wanted to hold the ceremonies aboard the aircraft carrier Ticonderoga at Norfolk, Va., to demonstrate his belief in navy striking force.

The approach of Hurricane Diane forced a switch to Annapolis, which Secretary of the Navy Thomas called "the cradle of the navy" and said still signified a closeness to the fleet.

Burke took his oath of office from Adm. Ira R. Nunn, judge advocate general, in colorful ceremonies witnessed by about 2000, including heads of the other services, in Dahlgren Hall. Plans to hold the affair outside were cancelled out by intermittent showers.

2 Men Charged With Conspiracy Held for Hearing

Two men charged with conspiracy in connection with illegally manufacturing liquor from a still in Berks county were held for grand jury at a hearing.

The men, Robert Ovies, 50, Rutherford, N. J., and Vincent J. Bruzzese, 26, Philadelphia, were arraigned before West Reading Justice of the Peace A. B. Eber-

sole, Tuesday night.

The two were arrested the past Feb. 10 when police discovered them in a truck near a home-made booze plant.

The men are co-defendants with Leon Odagis, alias Leon Williams, 48, Reading, and Angelo J. Mazza, 36, Hammonton, N. J. Bail of \$500 was continued for Ovies and Bruzzese. Odagis and Mazza, who were arrested Feb. 5, are both free on \$5000 bail each.

Mr., Mrs. Kermit Steffey Fulfill Prospective Home-owner's Dream

By DOLLIE SMITH
(Mercury Staff Writer)

Almost everyone has visions of a beautiful home and all the luxuries that go with it. But sometimes when waking financially you realize it just isn't within your grasp. The next project may be to start saving and after a painstaking "do without" period, you may have a beginning.

With this small "vision fund" clutched tightly in hand, you make a down payment on the dream house.

But even dreams have their drawbacks and inevitably there are renovations and repairs to be made—with very little remaining in the house budget.

One way to cut expenses is to put forth your "know-how" efforts, energy and time—lots of time.

A good example of this is Mr. and Mrs. Kermit Steffey of 48 West Fifth street, a couple with foresight.

They purchased their home in March and were married June 11. Because of complete renovations planned for the home built in 1917, they lived with Mrs. Steffey's parents, Mr. and Mrs. Charles Kepner, 363 North Charlotte street, for the first two months of their marriage.

After a week's honeymoon, Mr. and Mrs. Steffey returned home to weeks of removing old paper and paint and adding a new finish.

However, they were more fortunate than many because what started with two persons ended as a family project.

Mrs. Kepner took on the back-breaking task of removing all the varnish in every room of the house except the third floor "using varnish remover and plenty of elbow grease."

After almost two weeks of unvarnishing labor the group re-varnished the two largest rooms in two evenings.

Other members of the decorating committee were Mr. Steffey's parents, Mr. and Mrs. Leroy Steffey of Spring City RD 1 and Mrs. Kermit Steffey's two brothers, Harry and James Kepner.

Leroy Steffey offered his vacation time to help the newlyweds with their project.

Every evening for three weeks there was a "paper pulling party." A portable water sprayer was used to wet the walls for easy pulling. "Everyone in the room was soaked," said Mr. Steffey with a chuckle.

The new Mrs. Steffey added, "it didn't stop there. After all the paper was removed, we washed the walls with ammonia water and then sanded them."

"It made quite a mess" they both agreed. In fact they were still burning discarded wallpaper after they moved into their renovated dwelling.

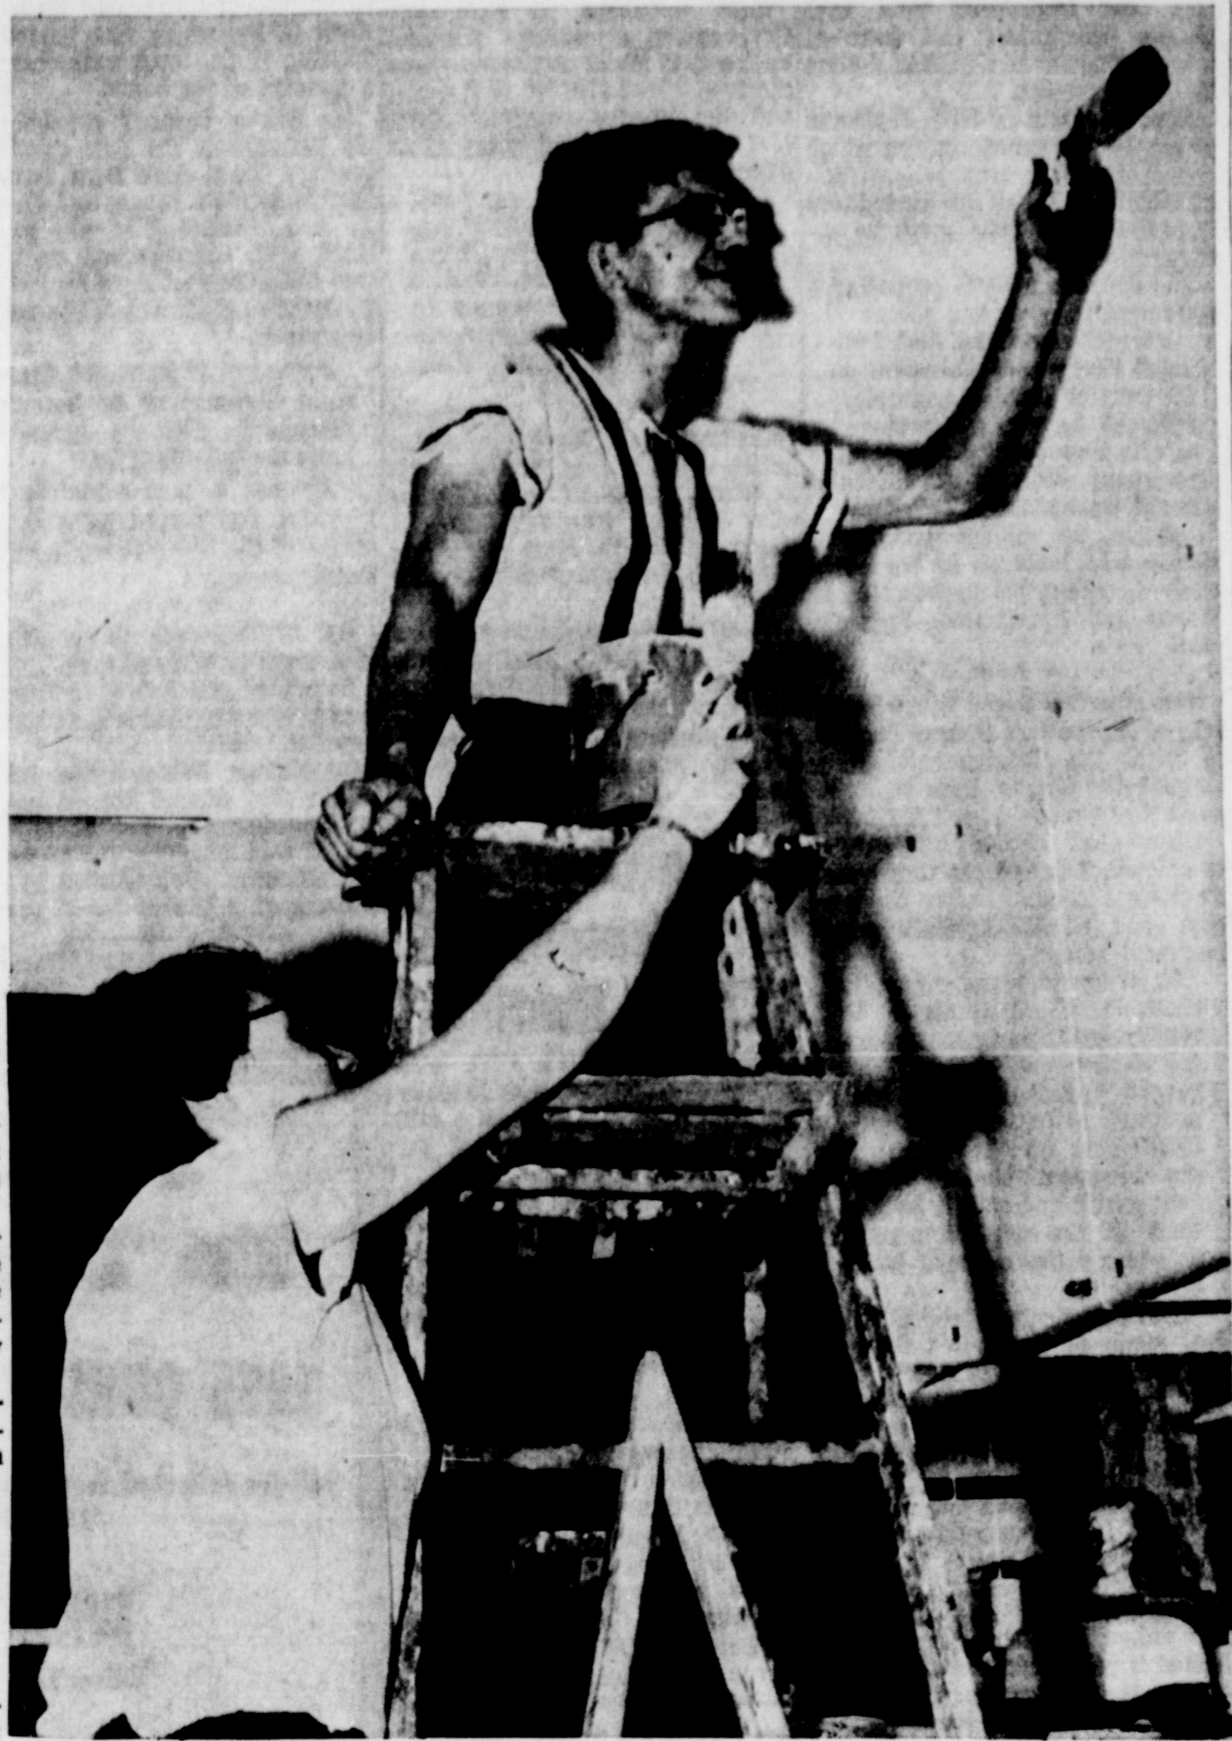

The next job was painting. This included the kitchen in yellow, the front bedroom in blue and the middle bedroom in shell pink. Shell pink also was used for their large (ten by ten feet) bathroom.

The do-it-yourself painters used an oil base paint, "the kind you can wash," and the new type roller brush. There were numerous other brushes on hand for touch-up jobs.

Even the cellar took on a new appearance as the trio of men whitewashed the cellar walls and painted the steps.

During their demonstrations as handymen and carpenters they increased the height of the coal bin and lined it with cardboard.

Although Harry Kepner almost

HEY! HOW ABOUT SOME OF THAT PAINT?—Mr. and Mrs. Kermit Steffey, 48 West Fifth street, are pictured with the very latest for couples redecorating their homes—two paint brushes. The Steffeyes are applying the finishing touches to their kitchen wall above their new enameled steel cabinets. Mrs. Steffey, who is only five feet tall, seems to be having trouble reaching into the paint can so appropriately placed on a ladder for her much taller husband.

fell down the cellar steps, the Steffeyes were happy to report "no ladder tragedies."

Another major clean-up job followed in the wake of the professional carpenters, electricians, plumbers, paperhangers, painters and installation men.

The most drastic changes were made in the kitchen, where everything was thrown out—including the kitchen window!

Installed in the modernized kitchen were enameled steel cabinets which open at the mere touch of a finger; a new sink, an enlarged window, a new electric stove, (a present from Mr. and Mrs. Kepner) and a new refrigerator, (a gift from Mr. Steffey's parents).

The industrious family gave a helping hand to the professionals, laboriously carrying radiators and other heavy equipment from one room to the next.

"We weren't paid laborer's wages but we were rewarded with a home," Mr. Steffey proudly stated.

When Mr. Steffey's shirt got

wet during the spraying session, the shirt tore "right down the back. "This home cost me the shirt off my back, but I have other shirts," he added jokingly.

In addition to a home as new

in appearance and modern as any that's been newly constructed, Mrs. Steffey has the most colorful overalls in town. In her closet are one pair of usually black denims decoratively speckled with white, pink, blue and yellow paint of course.

Classmates Give Farewell Party for John Herb Jr.

Classmates of John Herb Jr. last night honored him at a surprise farewell party given at the home of his parents, Mr. and Mrs. John Herb Sr., 480 Spruce street.

John will not be with his classmates when they enter the new St. Pius X Catholic High school in September. On Aug. 30 he will leave Pottstown to begin a ten-year course of study for the Catholic priesthood.

The 16-year-old youth will enter St. Joseph's preparatory seminary, Holy Trinity, Ala., where he will finish the two remaining years of his high school course.

From there he expects to advance to a higher school at Brockway, and a still higher one at Winchester, Va.

At last night's party classmates presented John with two pieces of luggage and bed linens as a farewell gift.

Attending were: Charles Lessig, George Stranick, Louis Brachella, Joseph Mullen, John Rapchinsky, Joseph Kravsky, William Moyer, John Rudy, Daniel Kepner Jr., Kathleen Spaar, Doris Gimone.

Also present were: Mr. and Mrs. Herb, Mrs. Benjamin LaPish, Mrs. C. Daniel Kepner, Mr. and Mrs. Lindsay Miller and the Rev. Edward McEluff, assistant rector of St. Aloysius Catholic church.

MR. AND MRS. MALCOLM GERHART, 1156 Queen street, and children, Malcolm 3d, Gregory Scott and Martha Mary, drove home from Ocean City, N.J., Saturday, during the height of hurricane "Connie" in New Jersey.

The couple and their children left the seashore resort at 9 o'clock, Saturday morning and did not arrive in Pottstown until 3 o'clock in the afternoon.

Mr. Gearhart said they drove through continuous rain. Much of the Black Horse pike was flooded, there were many washouts and Camden was completely flooded. He feels the family was very fortunate to have arrived home safely.

The family spent 14 days in Ocean City, the last week of their stay marred by the bad weather. Mr. Gearhart said it was the roughest weather he had experienced in the 20 years he had been vacationing at the resort.

His fishing boat, the "Morning Star" was away from its moorings only once during the past week. Thursday there was a break in the weather, the sun shone and the waters of Great Egg Harbor bay, on which Ocean City is located, quieted. Mr. Gearhart took his boat out, but was warned by the Coast Guard to stay in the bay.

On Tuesday he had attempted a day of fishing with a fellow Doehler-Jarvis employee, John Peterson, 241 Wilson street. Rough water and winds of gale strength spoiled the day.

There was no bathing the last few days of the week and the wind kicked up a sandstorm all over town.

Nothing daunted, the whole Gearhart family is leaving for Ocean City, Friday, to spend the weekend. They all have their fingers crossed, hoping to get in plenty

Stricker-Trout Ceremony Performed by Dr. Krause

In the presence of their immediate families and close friends, Glenna Mae Trout, 189 Sunrise lane, became the bride of George W. Stricker Jr., Saturday afternoon at 2 o'clock.

White gladioli and candles adorned the altar and candelabra the chancel of Emmanuel Lutheran church for the double ring ceremony performed by the Rev. Dr. Luther A. Krause, pastor of the church.

The bride is a daughter of Mr. and Mrs. George A. Parke, 204 Broad street, Trumbauersville. Mr. and Mrs. George W. Stricker, Sr., 210 East street are parents of the bridegroom.

A recital of organ music was presented by Mrs. William S. Hellyer before the ceremony.

A street length dress of baby pink polished cotton trimmed in white organdie, was worn by the bride. Hand embroidered rosebuds decorated the drop shouldered bodice and skirt front.

Pink net, studded with rhinestones, veiled her hair. Pale pink slippers and necklace and earrings of rhinestones completed her costume. She carried a bouquet of lavender asters and ivy.

Geraldine M. Stricker, sister of the bridegroom, was the brides only attendant. Tiny rosebuds, centered with rhinestones, were embroidered on the bodice of her aqua polished cotton afternoon dress.

She also wore pale pink shoes, rhinestone jewelry, and a pink net.

The Fall meeting season is practically under way for the Parkerford Women's club, and plans for the first meeting already have been completed.

Last night the executive board met at the home of Mrs. Clayton Long, Pottstown RD 1, to formulate programs and projects for the coming year.

One of the major club projects will be the making of garments for the ingathering of the Needlework guild. Suggestions on garments to be made will be discussed at the first group meeting, Sept. 6, at 8 p. m. in Parkerford Baptist church.

At this meeting Mrs. Abram Briner, president of the Spring City Women's club, will address the group on her experiences during a recent tour of Europe.

The musical portion of the program will be presented by Mrs. Andrew Bell, of Spring City.

Hostesses for the September meeting will include Mrs. Edith Long and Mrs. Charles Kimes.

During the board meeting members were appointed to

serve on committees: ways and means, Mrs. Harry Roussey, Mrs. William Oberlander, Mrs. Ambrose Malenke, Mrs. Clifford Steinruck, Melissa Shantz and Mrs. Wayne Swinehart.

Civil defense, Mrs. Kimes, Olga Walt and Mrs. Everett Brower, Girl Scouts, Mrs. Parker Malenke; publicity, Mrs. A. W. White, Mrs. Karl Grebe, and membership and flowers, Mrs. Isabelle Johnson, Mrs. Michael Gresko and Mrs. Lester Lorah.

Trojan Gridders to Take Physicals

For the next three months nothing will be more important than weather isn't permitting much outdoor activity these days - Meyers football to several dozen Pottstown High athletes who will report to Coach Heeb Meyers this morning at 10:00 a.m. for their physicals.

The long grind will begin and with a comparatively green squad, Meyers knows only plenty of hard work will advance the Trojans on the road to a winning season.

Meyers has issued a call for all candidates and managers to report at the field house at Franklin field at 9 o'clock.

Dr. Raymond L. Reinbold, team physician, will give each player a physical examination. It is important that players report on opening day to receive this free physical, otherwise they will be required to go to a doctor at his office.

Weather permitting - and the

faced with almost a complete rebuilding job on his offensive unit. Only Gilliland and fullback Don Keifrider were regular offensive operatives a year ago.

The team won't be lacking in

BOB GILLILAND
... Trojan Co-Captain

size, however. Such backs as Lipko, Bedell, Ken Wensel and Bob Sandoe pack plenty of weight. Bedell, Ron Puhl, Toogie Oliver and Dick Rhoads will lend speed to the attack.

Of the 11 backs who took part in helping the Trojans gain a record 3384 yards, only four have graduated. But it was a pretty big four including Howie Bedell, Josh Sova, Clark Burns and John Dellaquila, a quart who personally accounted for almost 3000 yards rushing and passing.

JIM GIBBONS, Linn Kressley and Dick Hurter will be the top quarterback candidates.

Meyers' search for veteran line-men will bring him only a few considerations playing experience. Gilliland was a two-way performer at tackle last season.

Frank Waresak saw regular line-backing service but is slated for two-way action this year at guard.

Moe Barber, Fred Kupeski and Mike Lunn all saw limited service at end. Marsh Sager, Bob Neiffer, Bob McClintock, and Bob Heslin are a husky group of tackles that chartered some game time a year ago.

Candidates for the guard slots will be Chet Piotrowski, Ed Sobresky and Waresak.

Bob Freese was one of the three centers Meyers used last year.

Some of the top Sophomore prospects will be halfback Dave Thomas, and ends Dave Nagy and Dan Dwinchik.

A year can make a great difference in the development of growing athletes. Some unknowns will probably break to the fore and Meyers hope they make their bids early.

LIONS MEET AN EAGLE—Wayne Robinson, line-backer for the Philadelphia Eagles, poses with three members of the Linfield Lions who recently visited Hershey with their team to watch the Eagles in training. From left: Juke Thompson, Robinson, Jackie Haines and Barry Irey. All three Linfield players hurled no-hit, no-run games during the season.

BROOKLYN MAY SHIFT SERIES TO NY'S STADIUM

BROOKLYN, Aug. 17 (AP)—The National League leading Dodgers, who yesterday hurled a bombshell into Brooklyn by announcing the transfer of seven 1956 home games to Jersey City, reportedly also toyed with the idea of shifting their World Series games from Ebbets Field to Yankee Stadium next fall.

The assumption, of course, is that the Dodgers go on to win the pennant, as expected.

Keenly disappointed over the sag in attendance at Ebbets Field, Dodger president Walter F. O'Malley reportedly at first wanted to make the switch but abandoned the idea. With attendance running 40,000 behind last year's figures, which were 90,000 behind the previous year's, the Dodgers are almost certain to finish in the red despite a winning season.

By transferring their Series home games to Yankee Stadium, the Dodgers figure to accommodate an additional 100,000 cash customers. That would bring in approximately another \$550,000 and wipe out any deficit accrued during the regular season.

IN 1953, when the two teams last met in a World Series, three games at Ebbets Field drew 108,820 fans and brought in \$638,171.34. In Yankee Stadium, the three games attracted 198,520 which resulted in gate receipts of \$1,141,098.10. Yankee Stadium seats 67,000 as compared to Ebbets Field seating capacity of 32,111.

Approval of commissioner Ford Frick would be needed, however, for such an unprecedented move. Also, the Yankees would have to give consent. The latter appears a mere formality. Bill DeWitt, assistant to Yankee general manager George Weiss, said although he knows of no such request made of the Yankees, it would be a simple matter to iron out.

Smart Athletes
EAST LANSING, Mich. (AP)—The old cliché that athletes are dumb took a beating at the hands of Michigan State varsity football players during the past winter term.

Fifteen varsity performers earned "B" or better averages. The entire varsity compiled a 2.33 average as compared to the school's male average of 2.41.

Highest among the varsity men were guards Hark Bullough and Ferris Hallmark. Each had an "A" average.

SPORTS HOT SHOTS

The Pottstown area will be well-represented in college football this fall.

Of the several ex-Pottstown High gridders who will be performing, STAN CHAPLIN, Penn's fullback, has received the most recognition.

A second-team All-State player for the Trojans, he is again expected to be the workhorse of the Penn backfield after leading the team in rushing and scoring last year.

Burly BOB SUTTON had hoped to work out with the Trojans but since they are going away next week he figures to find some other company at Franklin field.

Bob, one of the finest guards PHS has produced, is slated for first-string duty with the Colonels of George Washington.

He has worked hard as a landscaper all summer and is now struggling to build up his weight.

Several local youths will be at West Chester State Teachers this fall.

PAUL STRZELECKI, much-wounded griddler the past year as a Sophomore, will play either in the line or possibly be moved back to his familiar full-back post which he manned so capably on West Pottsgrove's last football team.

Warwick's JERRY BECHTEL, holder of several school basketball scoring records, expects to go out for football at West Chester although he was unable to play the grid sport in high school as the Patriots specialized in soccer.

HOWIE BEDELL will also attend West Chester but he plans to restrict his sports to baseball and basketball.

After a year's layoff from his studies, BILL "RED" KERR will get back to the books at Lock Haven State Teachers college.

Although he was an outstanding defensive back for the Trojans during the 1953 season, Red is worried that he isn't fast enough to play college ball.

One of his former coaches remarked "They'll find room for anybody that can tackle like Kerr."

JOSH SOVA, who set passing records for the Trojans last year, will do his flipping at Clemson this year.

He will start on a partial scholarship and if he makes good, Clemson will pick up the entire tab.

Josh has received a complete set of plays which he is studying diligently.

Also headed south is MILT WENSEL, combination middle guard and offensive end for PHS last year.

Milt is going to the University of Virginia.

A teammate on the Freshman team will be REECE WHITLEY, Conshohocken's highly-touted quarterback.

Stocky LARRY LAWLER will enter Millersville to take a course in Industrial arts.

He should be able to help the Millers with his 220 pounds.

Little-Known Pro From Philly Leads Canadian Open

TORONTO, Aug. 17 (AP)—Charlie Sifford, little known 33-year-old pro from Philadelphia, tore the Western Golf club course apart today for a record-equalling nine-under-par 63 and a one stroke lead in the first round of the Canadian Open Golf championship.

The stocky Sifford, who has just managed to "make breakfast money" in three years on the tournament trail, turned in his brilliant score in mid-afternoon. It held up as the low score of the first day although Arnold Palmer, 1954 U. S. amateur champion from Latrobe, came through with a 64. Sifford put his score together with a 31-32 while Palmer had a pair of 32s.

The tournament's one-round record was set by Ed (Porky) Oliver of Lemont, Ill., in 1947 at Montreal. Bob Rosburg, of San Francisco equaled it last year at Vancouver.

This opening round of the 72-hole, \$15,000 tournament erupted into a free-for-all as most of the leading American and Canadian pros clobbered the 6425-yard course. More than 40 came in with under-par cards. Another score equaled the par 72.

Binder - Beaver Team Wins at BCC

The women of Brookside Country Club held a best ball for twosomes yesterday at the club, with Mrs. Carl Binder and Mrs. William Beaver winning net scores 78 for 18 holes.

Mrs. Josephine Daniels was the nine-hole winner. The nine-hole putting contest was won by Mrs. Clayton Hutt, with 19 putts.

Mrs. E. H. Hunnicutt won the 18-hole putting contest with 30 putts.

Qualifying rounds for the women's club championship will continue through Friday.

State Increases Length of Duck, Goose Seasons

HARRISBURG, Aug. 17 (AP)—Pennsylvania hunters will have 10 more days to hunt duck, goose, brant and coot this year.

The State game commission said it has received an official announcement from the U. S. Fish and Wildlife Service of a straight 70-day season for 1955.

Five days have been added in advance of the opening of the season, which now will begin on Oct. 10, and five days added, setting the closing date at Dec. 17.

The season dates were recommended by the commission and approved by the federal agency because of an expected larger crop of birds this year.

The bag limits: Ducks—Daily, 4; in possession, 8, after the first day. The daily bag limit may include one wood duck. Two wood ducks may be in possession after the first day, and one hooded merganser, daily or in possession, as part of the total bag. American and red-breasted mergansers also are to be included in the bag limits for other ducks this year.

Geese — (except snow geese). Daily bag 2; possession limit 4 after first day.

Coots—Daily bag and possession limit 10.

Brant — Daily and possession limit 6.

Wilson's or jacksnipe season (Oct. 1-15)—Daily bag and possession limit 8.

There is no season this year on snow geese and swans.

Sackal, Bernstein Top Winners in YMCA Tourneys

David Sackal and Mike Bernstein were double winners in a series of tournaments at the YMCA held in the boys' division under the direction of Paul Feight.

Sackal, competing in the Class A division for boys 8 to 11, won both the pool and ping pong titles. He defeated Bruce Hall, 4-1, in pool and Larry Pickar, 4-0, in ping pong.

Bernstein captured the checkers and chess championships in the same class, beating Jay Meloy, 4-1, in checkers and downing the same opponent, 4-3, in chess.

Class B (12-14) winners were: Pool, Frank Thomas, 4-2, over Freddy Pickar; ping pong, Bill Yerger, 4-2, over Ernest Eagle; checkers, Craig Hausman, 4-0, over Pickar.

Class C (15-16) winners were: Pool, Bill Sternberger, 4-3, over Bill Berheimer; ping pong, Glenn Shirey, 4-0, over Dave Banyai; checkers and chess, no entries.

Awards to all winners will be made later.

Davis Cup Lineups Same This Year On Both Teams

NEW YORK, Aug. 17 (AP)—The same players who fought it out for the Davis cup in Australia last December will carry the burden again when the United States defends the big International tennis trophy at Forest Hills, N. Y., Aug. 26-28.

Australia's non-playing captain, Harry Hopman, today named his four-man team for the challenge round with only one change in the 1954 lineup.

To the surprise of no one, Neale Fraser was given the place of Mervyn Rose, who wasn't a member of Australia's official traveling tennis squad this year. The other three named were Lewis Hoad, Ken Rosewall and Rex Hartwig.

Yesterday the U. S. selection committee, headed by Lawrence Baker, listed a team composed of Tony Trabert, Vic Seixas, Ham Richardson and newcomer Gil Shea of Los Angeles.

THE DRAW will be made at Forest Hills Aug. 25 and not until then will the captains, Hopman and Bill Talbert, be required to assign players to specific matches. But in all likelihood, Hoad and Rosewall will play all the matches for Australia and Trabert and Seixas for the United States.

That's the way it was last year when at Sydney, when the Americans won the first three matches to clinch the trophy. Then Hartwig subbed for Hoad and helped Australia take the closing singles for a respectable 3-2 final score.

All Stars Stock Car Drivers Spoiling For Full Weekend of Racing at 3 Ovals

The All-Stars Stock Car Racing club, slowed last week by Hurricane Connie, hopes to log a full weekend of activity this week when it is slated to compete at Sanatoga and Hatfield Speedways in nocturnal programs.

The stars, equipped with some of the fastest sportsman model autos in the country, will move through seven events Saturday night at Sanatoga, then share the bill with the Irish Horan "Hell Drivers" Sunday night at Hatfield. Both meets get underway at 8:30 o'clock.

While Connie wiped out scheduled meets at Municipal Stadium, Philadelphia, and Sanatoga the past week, the ASCRC managed to record a full card at Hatfield. Monk Kellar, a veteran from Pottstown, sped to his first Hatfield victory in the 20-lap finale. He was driving the new Wayne Carl car from Limerick.

Kellar's performance in the new mount added another favorite to a growing list of past feature winners at the two tracks. Most of the victors will be on deck both Saturday and Sunday nights seeking to boost their individual point totals.

Outstanding entrants include Reds Leshar, Reading; Norman Kidd, Bridgeport; Dick Rodenberger, Trumbauersville; George Sleight, Easton; Paul Gregory, Linfield; Walter Shoppe, Philadelphia; Dick Havens, New Hope, and Warren Mutter, Boyertown. All are in the running for the season point championship and a sizeable cash award that goes with it.

Satterfield Batters Big Nino Valdes

CHICAGO, Aug. 17 (AP)—Bob Satterfield, giving up 32 pounds in weight and a half foot in height, Valdes was undamaged. Satterfield blasted giant Nino Valdes to the floor in a savage last round to night but could not keep the bleeding Cuban there and settled for a unanimous 10-round decision.

The crowding, lashing Satterfield—a 3 to 1 underdog—appeared tiring in the last four rounds as the two heavyweights mauled each other trying to land their knockout sledges and end the televised Chicago stadium brawl. But suddenly, the Chicago Negro uncoiled a left hook that caught Valdes flush on the jaw and followed with a whistling right to the face.

Valdes plopped to the canvas on his haunches. He was up at the count of five but took a mandatory eight count.

Satterfield bulled in, his fists flailing at the Cuban's face, now a mass of blood that flowed from his mouth and nose. But Valdes was throwing all of his 215 pounds behind his punches in one final attempt to connect.

Referee Frank Sikora scored in favor of Satterfield 98-92 under the Illinois system of a maximum 10 points per round. Judge James McManus had it 97-93 and Judge John Bray 97-98 for the unanimous decision.

The Associated Press card gave it to Satterfield, 98 to 94.

SATTERFIELD, in a savage start, landed three steaming, looping rights in the first round but Valdes was undamaged. Satterfield stunned the big Cuban, a ranking heavyweight contender, in the third but only momentarily.

Valdes' best round was the seventh when two right uppercuts staggered Satterfield, who crowded in and hung on until the bell.

The fight was Valdes' first since he lost a close decision to Archie Moore in Las Vegas three months ago. It was his 10th defeat.

Try Again Tonight

Several Games Started; All Ended Early by Rain

A few doubles and triples were hit between the raindrops last night but the elements eventually won out and every game on the local sports slate was called before the fourth inning.

The important title game in the Sunday School league between First Baptist and Trinity Reformed was called with two down in the bottom of the second, Trinity leading, 4-1.

League director Chuck Brown said after the game that Emmanuel Lutheran and St. Peter's Lutheran will play their scheduled game tonight, and First Baptist and Trinity will try again tomorrow night to decide who is the regular season champion.

After the Baptists had picked up a run in the top of the first on a single by Bob Weiser and Bob Cannell's triple, Trinity rebounded for a quartet of runs which featured Dick Geisler's double and Charlie Moore's two-run triple.

The City Softball league playoffs suffered another setback when the PAR-GI Raider game was called in the top of the third inning.

PAR LED 2-0 after having just made both its runs on Toup Edleman's triple. The Refiners lead in the series, 2-0, and they'll try again tonight to sweep their way into the finals.

George Levengood, pitching for the Raiders, was headed for a big night in the strikeout department as he had fanned eight PAR players for all eight outs recorded by his team up to the time the game was called.

Curly Ricketts, Junior league director, saw all his well-laid plans washed down the drain. The York Street Hotel-URW game lasted only two innings at Memorial field No. 2 which was put into playing shape by the park maintenance crew.

The Junior league game at Linfield between the Lions and PAA never got started as the rain came down too hard before game time, and the Stowe Lions game at Kenilworth failed to go past the first few innings.

Tonight's Junior league schedule has Linfield and Stowe playing at

THE KNEE-HI league fared no better than the others as the Linfield-Optimists game was halted in the second inning with the score deadlocked, 1-1.

League Director Henry Stofko is working on a big schedule for the weekend in an attempt to bring the schedule up to date. The playoffs, which were to start Monday, will probably be postponed a few days.

Kenilworth and Elks are scheduled to meet in the Knee-Hi league tonight.

Hilliers Play Owls As Playoffs Start In Suburban Loop

Five teams will take part in the Boyertown Suburban league playoffs which open tonight as Ringing Hill plays at Gabelsville.

Only regular season champion Bechtelsville advances to the finals without playing a game.

The winner of tonight's game then meets the winner of tomorrow night's game between Bally and Boyertown on the latter's field.

Following Bechtelsville in the final standings were Gabelsville, Boyertown, Ringing Hill and Bally. The final playoff series will be a best-of-three set.

Swimming Party, Doggie Roast Climax Season at Playground

Climaxing its season, the Boyertown Playground held a swimming party and doggie roast Tuesday for those persons who had registered with the playground directors at the Ironstone Park pool, Boyertown.

Hot dogs, rolls, potato chips, marshmallows, soda and watermelon were furnished by the playground. About 38 of the 50 persons who registered took advantage of the free food and free swim. Robert Fisher, lifeguard at the pool, supervised the swimming.

Chaperones for the doggie roast were Mrs. Louise K. Nyce, Lorraine Conrad and Stephen Yura, playground supervisors.

Games were played. Winning the balloon blowing contest was Herbert Weasner and the bubble

Service Club Votes Donation

At their meeting held at the home of Mrs. Beulah Johnson, Gablesville with 15 members present, the Boyertown Service Mothers, Wives and Sisters voted to give a monetary donation to the American Legion home, Boyertown, and the Boyertown Veterans of Foreign Wars.

Birthday parties were celebrated by Mrs. Edna Henry and Mrs. Florence Toms. Pig-in-box awards were won by Mrs. Bertha Smith and Mrs. Edna Henry. Refreshments were served by Mrs. Johnson.

The next meeting will be held Sept. 6 at the bungalow of Mrs. Anna Shinn, Earlvale. Cars will leave Philadelphia avenue and Walnut street, Boyertown, at 7:30 p. m.

Boyertown Girl Feted at Shower In Bechtelsville

Nancy Lou Fronheiser was feted at a surprise bridal shower held at the home of Mr. and Mrs. Grant R. Moyer, Bechtelsville.

Miss Fronheiser, daughter of Mr. and Mrs. Russell Fronheiser, 346 South Reading avenue, Boyertown, will become the bride of John R. Ritter, son of Mr. and Mrs. Harvey D. Ritter, 501 East Philadelphia avenue, Boyertown, on Sept. 3, in St. John's Evangelical Lutheran church, Boyertown.

Pink and green themes were carried throughout all of the decorations in the basement of the home. Streamers, candles and matching tablecloths, plates, cups and napkins printed with pink and green umbrellas completed the table settings.

Gifts were placed under a large white satin umbrella edged with white lace. A large bride doll stood on the center of the table.

PINK AND green ribbon sandwiches and cakes decorated with miniature bells, bridal slippers, horseshoes and lilies-of-the-valley were served after the gifts were opened.

Attending the shower were Mrs. Barbara Moll, Virginia Deysher, Ruth Ann Erb, Miriam Fisher, Elva Reed, Helen Gottshall, Mr. and Mrs. Carl Miller, Mr. and Mrs. Herbert H. Fronheiser, Mr. and Mrs. Melvin R. Moyer, Donna Frutzing, Mrs. Audrey Hartline, Janet Clemen and Lettie Deysher.

Also Mrs. Jesse Miller, Mr. and Mrs. Russell Fronheiser, Mr. and Mrs. Harvey Reinhart, Mr. and Mrs. Harvey D. Ritter, Mr. and Mrs. Herbert D. Fronheiser, John Ritter, the guest of honor, Nancy Lou Fronheiser, the host and hostess, Mr. and Mrs. Grant R. Moyer, and the co-host and hostess, Mr. and Mrs. LeRoy Renninger.

Persons not attending but sending gifts were Mrs. Earl Weller, Mrs. Lester Miller, Mrs. Mary Gottshall, Mrs. Earl Swavey, Margot Abrams, Nancy Larue Erb, Mrs. Janet Holloway, Daniel Ritter and Randy Renninger.

CAR SKIDS--

(Continued From Page One)

The car continued down the side road, just missing a utility pole on the corner of Route 83, and rammed into a bank on the property of Nevin D. Overdorf, garage owner.

WHEN THE frightened Overdorf came running from his garage, young Grebe was laying on the grass strip in front of Mrs. Wells' broken stone wall. There was a deep gash in the back of his head and blood was spilled on the concrete sidewalk.

The boy was crying and pawing and scratching violently at the grass.

The motor of his stopped car was turning over at a rapid speed, but the car had stopped because the transmission was jammed.

Overdorf asserted, "I don't know how the car made the turn down past the garage without hitting the pole."

MRS. WELLS, standing with her collie-shepherd dogs, "Ike" and "Puff" said excitedly, "You know I don't know how the car missed him."

"He must have been thrown clear of it when it first hit, but I don't understand how it missed him and turned down the road."

"There was a terrible crash

when he hit about 6:30 o'clock.

"My dogs were petrified. I ran to the door and there were stones all over the yard."

ONE HEAVY stone was tossed 20 feet into Mrs. Wells yard under a boxwood hedge, just off the front porch. The heavy, two-foot square stone port cracked off at its base and more than 25 feet of the thick walls was demolished.

The ground red glass of the car's tail light still coated a stone to the north of Wells' walk.

Mrs. Wells scrubbed the blood from the sidewalk.

Despite the youth's agonizing cries and heavy damage to his car, his condition was "satisfactory" in Phoenixville hospital early this morning.

HE SUFFERED a deep cut of the scalp, bruises of the chest and bruises and scratches of the body.

He was taken to the hospital in the Royersford Community ambulance.

The entire front of the black car was smashed.

Overdorf had little to do to remove the wreckage. He hooked his light tow truck to the car, and pulled it 30 feet to the front of his garage.

Damage to the car was estimated at \$1000. Damage to Mrs. Wells yard and stone wall was set at \$300.

Freak Bills With Different Sides Worth Much More Than Face Value

WASHINGTON, Aug. 17 (AP)—Some people say it's a freak when they have any money—but others have freak money.

An "\$11 bill" turned up in Philadelphia today. Three of them were reported earlier this year, and a \$30, a \$15 or a \$3 bill are on sale at a New York department store, the result of past printing errors.

The Bureau of Engraving and Printing in Washington, which makes all the nation's paper money, has an elaborate system of check and double check. It could only guess at what slippage had occurred.

The "\$11 bill" which Lillian Knoff, a federal government secretary in Philadelphia, found in her wallet has the \$1 "Washington" side on the front. On the back is the back of a \$10 bill.

THE \$11 BILLS reported in New York early in May had the front of a \$10 bill with Alexander of Hamilton's picture and the back of a \$1 bill.

Whether the two freaks are connected in any way, a spokesman for the bureau said, will be known only when it has an opportunity to examine Miss Knoff's bill.

The Bureau said, Miss Knoff's property. The Government will give her an ordinary \$1 a \$30 bill—\$20 and \$10—for \$950. bill for it if she desires, but its and a \$3 bill—\$2 and \$1—for \$850.

macist at Bentz Drug store, High and Hanover streets, said the store hadn't received any of the vaccine yet even though it had been ordered from three companies.

"They told us delivery was held up because they're retesting and making sure the stuff is safe. But they didn't give any indication of when we'll get it."

A LOCAL doctor, a leading physician in treating children's cases, said that the serum wouldn't be released for commercial use until after the school program was finished.

"Of course, the need is much greater in some other states, too," he added. "And the enthusiasm and demand for the vaccine has diminished considerably since the first unfavorable reports started coming out."

Webster Canning, proprietor of the drug store at High and Washington streets, venter, "They're making improvements in the process of making the serum now. I understand by adding a chemical lactate they can get more from the original serum."

"... There's been no delivery yet here, and I ordered during the Spring. The company salesmen told us the government is restrict-

Plane Downed

By North Koreans

TOKYO, Thursday, Aug. 18 (AP)—The Far East Air Forces today said an unidentified U.S. aircraft, presumed to be a missing and unarmored T6 trainer, was reported shot down by North Korean ground fire yesterday. FEAF said the incident was observed by South Koreans.

FEAF said the missing plane, a two-seater, took off with a pilot and observer from Kimpo airbase, near Seoul, at 2 P. M., on a "local flight."

The FEAF announcement said the last radio report from the plane was received at 3 p. m.

Approximately 30 minutes later, said FEAF, South Korean observers reported that an unidentified plane was hit by gunfire and crashed near the demilitarized zone.

The Korea-based 2157th air rescue squadron, which has been conducting a search, has found no trace of the plane or passengers.

HATFIELD LIVESTOCK

HATFIELD, Aug. 17—Total receipts at the Hatfield Livestock Market numbered 789 head compared to 613 head sold a week ago and 1153 head sold a year ago. Total individual consignors totaled 129. All receipts were purchased by 81 individual buyers.

The demand exceeded the supply, especially on the drained cattle, cows, heifers, bulls and hogs.

Steer prices were fully steady with those of a week ago. Cows firm to 75 cents higher. Hog prices 75 cents higher. Calf prices steady. There seems to be a shortage of livestock in the area to supply the trade.

Top prices: Steers, \$25; bulls, \$17.50; cows, \$15; heifers, \$23.90; calves, \$28.50; lambs, \$24.50; hogs, \$18.10.
